Moving to a new Amish settlement in small-town Colorado was a brave new start for independent-minded quiltmaker Esther Kiem. But helping her reckless relative will really put her special matchmaking skills to the test. . . . Mischievous and rebellious, young Ben Kiem is making the wrong kind of name for himself throughout the town of Byler. And even though his sister-in-law, Esther, somehow coaxes him into keeping company with sensible Linda Eicher, Ben can't see anything they have in common. Or that he could ever be good enough for someone like her. But Linda's down-to-earth nature and unexpected understanding have Ben trying his best to be better, no matter how challenging. . . . Linda couldn't be more surprised when Ben turns out to be caring and helpful, despite his rowdy pranks and bad-news friends. And falling in love with him suddenly seems just right. But when a heartbreaking misunderstanding comes between them, both she and Ben must risk enough to trust, stitch the pieces back together, and dare a forever precious happiness. Praise for Jennifer Beckstrand and Abraham !This is an endearing romance that fans of Wanda Brunstetter will love.▯ |Publishers Weekly

Leonard Meldert's Primo libro de madrigali a cinque voci (Venice, 1578) has an interest and musical quality far beyond what one might guess from the modest facts of the author's life and works. The book partly reflects the musical tastes of the court of Urbino in the final years of Duke Guidobaldo II Della Rovere (1514:74) and of the private household of his brother, Cardinal Giulio Della Rovere (1533:78). But its structure and contents display some unusual features that can be linked to the circumstances of Meldert's life and to his own initiative in projecting and assembling his book of madrigals. Moreover, it offers the first settings of then-recent poems by Torquato Tasso, Giovanni Battista Guarini, and Giuliano Goselini, the result of the composer's personal contacts in the court of Ferrara and his ties to the literary and musical circle of Antonio Londonio, a Milan-based Spanish diplomat. This edition presents the Primo libro for the first time in a modern edition, examining Meldert's textual choices and musical style within the contexts of courtly life, his personal biography, and the nascent seconda pratica.

Una Donna by Sibilla Aleramo Pubblicato per la prima volta nel 1906 e ripubblicato nel corso degli anni in molteplici edizioni, questo romanzo nasce dall'esperienza autobiografica dell'autrice ed è frutto di quei fermenti sociali che portarono alla nascita del femminismo, di cui la Aleramo stessa si sentì parte attiva. Nell'intento di rivelare, per la prima volta, "l'anima femminile moderna," con grande spirito realistico la Aleramo compone pagine di aperta denuncia e di critica sociale, affrontando argomenti come la povertà e l'ignoranza, le differenze regionali, il socialismo e naturalmente la condizione svantaggiata da cui la donna avrebbe dovuto riscattarsi. La sua immediata fortuna in Italia e nei paesi in cui fu tradotto segnalò una nuova scrittrice, che in seguito avrebbe fornito altre prove di valore, segnatamente nella poesia We are delighted to publish this classic book as part of our extensive Classic Library collection.
