Designed for use by anyone involved in international sales, finance, shipping and administration, The Handbook of International Trade and Finance provides a full explanation of the key areas of international trade - including risk management, international payments and currency management. It is an essential reference source that will help to reduce risks and improve cashflow, identify the most competitive finance alternatives, structure the best payment terms, and minimize finance and transaction costs. Coverage includes: trade risks and risk assessment; methods of payment; currency risk; export credit insurance; trade finance; and terms of payment. Designed for all businesses, regardless of size and business sector, the book also describes the negotiating process from the perspectives of both the buyer and the seller - providing valuable insight into the complete financing process.
