A Red Tainted Silence Ebook Carolyn Gray
Red-Tainted Silence review 1: I honestly think this book was amazing and shows just how hurtful words can be. While the big, unjustifiable wrong is truly heinous, the reason I loved this book is because the small things said from friends and family throughout the story are really what caused all the heartache and hurt.

A Red Tainted Silence Ebook Carolyn Gray
I would love to love this book more -- for several reasons. One, the author's first novel. A Red-Tainted Silence, was one of the earlier full-length M/M novels I read and it was an emotional read.That one was written in 2006 so this book was sort of 5-years in waiting.

Long Way Home (Red-Tainted Silence, #2) by Carolyn Gray

A Red Tainted Silence Ebook Carolyn Gray
A Red-Tainted Silence. 7:00 pm 10 November 2012. It was hard to decide between 2 & 3 stars for me. I hated the flashbacks, and I thought the story was FAR too slow until Nick took over narrating. Brandon really annoyed me too. I sort of get it cuz he and Nick were very young when all of this started, but why didn't they just call the cops after ...

A sophisticated investigation into the persistence of myth in the modern world draws on a wide range of memoirs, poems, fiction and philosophy to explore how the human imagination is compelled by hardship into worlds beyond real experience. By the author of Straw Dogs.

From the international bestselling author of the Broken Empire Trilogy, the thrilling conclusion to the Red Queen ' s War... All the horrors of Hell stand between Snorri ver Snagason and the rescue of his family, if indeed the dead can be rescued. For Janan Kendeth, getting out alive and with Loki ' s key is all that matters. Loki ' s creation can open any lock, any door, and it may also be the key to Janan ' s fortune back in the living world. Janan plans to return to the three w ' s that have been the core of his idle and debauched life: wine, women, and wagering. Fate, however, has other plans, larger plans. The Wheel of Oseheim is turning ever faster, and it will crack the world unless it ' s stopped. When the end of all things looms, and there ' s nowhere to run, even the worst coward must find new answers. Janan and Snorri face many dangers, from the corpse hordes of the Dead King to the many mirrors of the Lady Blue, but in the end, fast or slow, the Wheel of Osehim always pulls you back. In the end, it ' s win or die.

"Captivating..."—Kirkus | "Fascinating, deeply reported, and slightly eerie..."—BookPage (Starred Review) | "The Quiet Zone will live on in your memory..." —Bill McKibben A stunning portrait of an Appalachian community, the people who call it home, and the enduring human quest for quiet Deep in the Appalachian Mountains lies the last truly quiet town in America. Green Bank, West Virginia, is a place at once futuristic and old-fashioned: It ' s home to the Green Bank Observatory, where astronomers search the depths of the universe using the latest technology, while schoolchildren go without WiFi or iPads. With a ban on all devices emanating radio frequencies that might interfere with the observatory ' s telescopes, Quiet Zone residents live a life free from constant digital connectivity. But a community that on the surface seems idyllic is a place of contradictions, where the provincial meets the seemingly supernatural and quiet can serve as a cover for something darker. Stephen Kurczy embedded in Green Bank, making the residents of this small Appalachian village his neighbors. He shopped at the town ' s general store, attended church services, went target shooting with a seven-year-old, square-danced with the locals, sampled the local moonshine. In The Quiet Zone, he introduces us to an unforgettable cast of characters. There is a tech buster patrolling the area for illegal radio waves: " electrosensitives " who claim that WiFi is deadly; a sheriff ' s department with a string of unsolved murder cases dating back decades; a camp of neo-Nazis plotting their resurgence from a nearby mountain hollow. Amongst them all are the ordinary citizens seeking a simpler way of living. Kurczy asks: Is a less connected life desirable? Is it even possible? The Quiet Zone is a remarkable work of investigative journalism—at once a stirring ode to place, a tautly-wound tale of mystery, and a clarion call to reexamine the role technology plays in our lives.

A Deadly Game of Deception Notorious and beautiful, Vidia Swanson works as an "angel," trying to coax incriminating secrets from powerful men who may or may not be traitors of the Crown. Her latest target is suspected of stealing gold from Wellington's troops, but matters take an alarming turn when Vidia realizes that her spymaster thinks she is the one who is tainted—a double agent working for Napoleon. Backed into a corner, she can only hope to stay one step ahead of the hangman in a race to stop the next war before it destroys her—and destroys England. Tainted Angel offers up a compelling game of cat and mouse in which no one can be trusted and anyone can be tainted. "Espionage and passion—Regency style—burning up the pages from chapter one."—New York Times bestselling author Raine Miller "A world of spies and traitors where no one is quite what they seem and the truth is only true for a moment...a thrilling take that will keep you guessing until the very last page."—Victoria Thompson, author of Murder in Chelsea

From an RWA award-winning and #1 bestselling author comes a hanuting new historical romance! How far would he go to save the woman he loves? After a recent heartbreak, widower Alex Randall leaps at the chance for a new start. He moves to a new town in Oklahoma, with a new position, and a new farm to manage. In need of help, he hires a seasoned farmhand, Freddie. But along with Freddie comes his beautiful and mysterious sister, Serena. She's been mute for over a year, and no one knows why. Not even her sworn protector, Freddie. Serena's terrified of all men, including Alex, but quickly forms a bond with his young daughter. As the days turn to months, forbidden feelings start to arise in Alex for the haunting young woman. But as the mystery of why Serena suddenly went silent unfolds, Alex worries he'll lose more than his heart. He could lose his life.Will he be able to unravel the mystery in time to save everything he holds dear?

THE SERIES WITH OVER 2 MILLION DOWNLOADS and 20,000+ REVIEWS New York Times & USA Today Bestselling McRyan Mystery Series She held her breath, her arms shaking, and it felt as though her heart was going to explode out of her chest. Heart of Darkness is a short novel by Polish novelist Joseph Conrad, written as a frame narrative, about Charles Marlow's life as an ivory transporter down the Congo River in Central Africa. The river is "a mighty big river, that you could see on the map, resembling an immense snake uncoiled, with its head in the sea, its body at rest curving afar over a vast country, and its tail lost in the depths of the land." In the course of his travel in central Africa, Marlow becomes obsessed with Mr. Kurtz. The story is a complex exploration of the attitudes people hold on what constitutes a barbarian versus a civilized society and the attitudes on colonialism and racism that were part and parcel of European imperialism. Originally published as a three-part serial story, in Blackwood's Magazine, the novella Heart of Darkness has been variously published and translated into many languages. In 1998, the Modern Library ranked Heart of Darkness one of the hundred best novels in English of the twentieth century.

' OMG!!...I was simply blown away by this... I couldn't look away...even when I wanted to. The story took me by my throat making me gasp every few chapters...Wow!! ' Shalini ' s Books and Reviews
Footprints were scattered about like fallen leaves. She looked down into the ravine, and once more her lungs filled with fear. A body lay silent and unmoving in the bushes. When Ruth Turner walks into the Sheriff ' s office in Jefferson County ' s Port Townsend claiming her sister Ida Wheaton has been missing for over a month, Detective Megan Carpenter ' s instincts tell her that she needs to do more than just file a report. Racing over to Ida ' s secluded farmhouse in the hills above Snow Creek, Megan finds Ida ' s teenage children alone and frightened. She can ' t help but notice there ' s no TV. No video games. Nothing of the outside world. Something about the Wheaton family doesn ' t add up and triggers a painful childhood memory for Megan – when one day, in a flash, both her parents were gone. Then the body of a woman is discovered in an abandoned pickup truck close to the Wheatons ' home and Megan ' s convinced the cases are connected. If she has any chance of catching the killer, Megan must first unravel the secrets of the isolated Snow Creek community. But Megan has dark secrets of her own... Hidden in the back of her closet is a box of tapes containing every single recording of her therapy sessions over thirteen years ago. Can she finally confront the past she ' s spent years trying to block out? And will reliving her own painful story help her solve the complex case unravelling in the hills above Snow Creek before another innocent life is lost? From the Number One, New York Times, Wall Street Journal, USA Today and Amazon Chart bestselling author comes an absolutely heart-stopping and completely undownable crime series, introducing Detective Megan Carpenter. Read what everyone is saying about Snow Creek: " Holy cr!p what a complete stunner of a read this is! It had everything, sensational, creepy, addictive with a stunningly complex plot from beginning to end and I loved, loved, loved it !! So this is going to rate as one my best reads of the year. ' Goodreads Reviewer. " ' OMG! Wow. I loved this book!!...It was amazing! I can ' t wait to read more! It kept me on the edge of my seat. I couldn ' t put it down. Loved, loved, loved it! ' Goodreads Reviewer. ' Brilliant! I do believe this is the best book by this author to date. The book is dark, intense, and makes you say oh he#\$. The storyline flows and the characters are intriguing. I read this in one sitting and can't wait for more. ' Goodreads Reviewer. " ' Wow, I absolutely loved this book! Gregg Olsen is an amazing author. Snow Creek is definitely one of the best books I have read this year. I read it every chance I had. I really liked Detective Megan Carpenter, she is a strong and intelligent woman and a cracking police officer. Can't wait for the next book in this series... thrilling and creepy and it grabs your attention right away. Highly recommended ' . Goodreads Reviewer, " ' A great and creepy story perfect for winter. I ' d love to read more from this author. Fantastic and well written, highly recommended. ' NetGalley Reviewer, " I love, love, love Detective Megan Carpenter, a tough, thorough, no-nonsense type of detective even though she is dealing with a lot of issues in her personal life. " Goodreads Reviewer, " ' If you want first class, character driven crime fiction this is also the book and author for you as Mr Olsen is one of the best writers in this genre at present. ' Goodreads Reviewer,

The second novel in the thrilling and epic new fantasy series from the international bestselling author of Red Sister and Prince of Thorns. On the planet Abeth there is only the ice. And the Black Rock. For generations the priests of the Black Rock have reached out from their mountain to steer the fate of the ice tribes. With their Hidden God, their magic and their iron, the priests ' rule has never been questioned. But when ice triber Yaz challenged their authority, she was torn away from the only life she had ever known, and forced to find a new path for herself. Yaz has lost her friends and found her enemies. She has a mountain to climb, and even if she can break the Hidden God ' s power, her dream of a green world lies impossibly far to the south, across a vast emptiness of ice. Before the journey can even start, she has to find out what happened to the ones she loves and save those that can be saved. Abeth holds its secrets close, but the stars shine brighter for Yaz and she means to unlock the truth.
