Do not miss out!

Walking his two young children to school every morning, Thad Carhart passes an unassuming little storefront in his Paris neighborhood. Intrigued by its simple sign—Desforges Pianos—he enters, only to have his way barred by the shop’s imperious owner. Unable to stifle his curiosity, he finally lands the proper introduction, and a world previously hidden is brought into view. Luc, the atelier’s master, proves an indispensable guide to the history and art of the piano. Intertwined with the story of a musical friendship are reflections on how pianos work, their glorious history, and stories of the people who care for them, from amateur pianists to the craftsmen who make the mechanism sing. The Piano Shop on the Left Bank is at once a beguiling portrait of a Paris not found on any map and a tender account of the awakening of a lost childhood passion. Praise for The Piano Shop on the Left Bank: “[Carhart’s] writing is fluid and lovely enough to lure the rustiest plunker back to the piano bench and the most jaded traveler back to Paris.” —San Francisco Chronicle “Captivating . . . [Carhart] joins the tiny company of foreigners who have written of the French as verbs. . . . What he tries to capture is not the sight of them, but what they see.” —The New York Times “Thoroughly engaging . . . In part it is a book about that most unpredictable and pleasurable of human experiences, serendipity. . . . The book is also about something more difficult to pin down, friendship and community.” —The Washington Post “Carhart writes with a sensuousness enhanced by patience and grounded by the humble acquisition of new insight into music, his childhood, and his relationship to the city of Paris.” —The New Yorker NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST BOOK WORLD

Practice Makes Perfect! Get the practice you need to succeed on the ACT! Preparing for the ACT can be particularly stressful. tried-and-true test-taking strategies and tips

C. S. Lewis was a British author, lay theologian, and contemporary of J.R.R. Tolkien. The Lion, the Witch, and the Wardrobe is the first book in The Chronicles of Narnia.

A former White House speechwriter describes how he gave up his job to pursue his dream of constructing a boat made entirely of wine corks, the construction of his remarkable vessel, and his voyage down the Douro River in Portugal. Reprint. 20,000 first printing.

William Golding's unforgettable classic of boyhood adventure and the savagery of humanity comes to Penguin Classics in a stunning Graphic Deluxe Edition with a new foreword by Lois Lowry As provocative today as when it was first published in 1954, Lord of the Flies continues to ignite passionate debate with its startling, brutal portrait of human nature. William Golding's compelling story about a group of very ordinary boys marooned on a coral island has been labeled a parable, an allegory, a myth, a morality tale, a parody, a political treatise, and even a vision of the apocalypse. But above all, it has earned its place as one of the indisputable classics of the twentieth century for readers of any age. This Penguin Classics Graphic Deluxe Edition features an array of special features to supplement the novel, including a foreword by Lois Lowry, an introduction by Stephen King, an essay by E. M. Forster, an essay on teaching and reading the novel and suggestions for further exploration by scholar Jennifer Buehler, and an extended note by E. L. Epstein, the publisher of the first American paperback edition of Lord of the Flies. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, The Things They Carried is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. The Things They Carried depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. The Things They Carried won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.
