Unmarried, thirty-year-old Sophy Metcalfe told a little white he to soothe her nagging mother. The white lies name was "Dominic," the ideal boyfriend: charming, successful,

## Acces PDF Asking For Trouble By Elizabeth Young

the kind of prospective son-in-law that would make any mother proud. But now that Sophy's thin and beautiful sister, Belinda, is getting married, Dominic is going to have to make an appearance in the flesh -- which should be a pretty neat trick ... since the genuine article vanished from Sophy's life after a single, singularly unmemorable evening. So she resorts to a very drastic measure -- aka Josh Carmichael, the escort she hires at the very last minute, sight unseen. But the trouble with white lies is that they tend to multiply. The trouble with rugged, too-sexy, and independent Josh is ... well, that Sophy's actually beginning to like him! Even if they make it through the Wedding Day from Hell together -- with its new intrigues, old flames, and all-too-familiar faces -- there's the

## Acces PDF Asking For Trouble By Elizabeth Young

night that follows... and, of course, the morning after. And that could end up being the biggest trouble of all! A hip, witty, and freshly fantastic delight, Asking for Trouble is the most hilarious and knowing novel to make the scene since Bridget Jones first set pen to paper to record her most intimate innermost thoughts.

An irresistible first novel about a little white lie. Sophy is single and happy about it. She does, however, have an imaginary boyfriend, Dominic -- a little white lie designed to keep Sophy 's mother off her back. Which is fine, until his presence is demanded at a family wedding. So does Sophy admit Dominic is a fantasy? Oh no, Sophy hires an escort. But when the distinctly delicious Josh Carmichael arrives on her doorstep, Sophy can

tell things are going to get tricky. And the wedding day is only the beginning.

Ann Rossiter is no man's idea of the perfect wife, yet she has a chance—a single chance—to insure her future. To protect her unborn child, Ann agrees to marry a common riverboat pilot. In exchange, he'll gain command of her stepfather's magnificent new steamer—the Andromeda. But as they ply the western rivers together, Ann is drawn to her new husband, to his quiet strength and smoldering magnetism. Still, she dares not yield her heart for fear he will discover her most terrifying secret. As the Andromeda steams toward the wilds of the Montana Territory, Chase Hardesty finds himself falling in love with his

new bride. But when Ann ' s past comes back with a vengeance, will their marriage of convenience end in tragedy—or in love forever? From the Paperback edition.

From the Man Booker Prize longlisted author of *My Name is Lucy Barton* ? Isabelle Goodrow has been living in self-imposed exile with her daughter Amy for fifteen years. Shamed by her past and her affair with Amy's father, she has submerged herself in the routine of her dead-end job and her unrequited love for her boss. But when Amy, frustrated by her quiet and unemotional mother, embarks on an illicit affair with her maths teacher, the disgrace intensifies the shame Isabelle feels about her own past. Throughout one long, sweltering summer, as the events of the small

discovers his lie, but can he...?

She can keep the doors locked. The lights on. Her fingers crossed. But she can't stop the memories of a terrifying crime. Or keep it from happening again. The murderer took his time choosing his pretty victims. Then he took his time killing them. What was left when he finished made even veteran Boston cop Harry Jordan feel sick. But this time the killer made a mistake. His victim was found alive. Armed with a police sketch of the man, Harry wanted national publicity, the kind he could get from Mallory Malone, the "TV detective." Her top-rated show reenacted heinous crimes and often jogged witnesses' memories enough to shake loose the clue that could break the case. But not this time. This

## Acces PDF Asking For Trouble By Elizabeth Young

case was different for self-made career woman Mallory Malone. This cop was different. The case scared her; the cop was falling in love with her. Her instincts told her to run. But the killer already knew her name. Her address. And a secret that could destroy them both. Elizabeth Adler was born in Yorkshire, England. She is married to an American lawyer and has one daughter. They have lived in Brazil, England, France, and Ireland and currently live in California. She is the internationally acclaimed author of *Léonie*, *Peach*, *The Rich Shall Inherit*, *The Property of a Lady*, *Fortune Is a Woman*, and *The Secret of the Villa Mimosa*.

A NEW YORK TIMES BESTSELLER An unlikely political star tells the inspiring story of the two-decade

## Acces PDF Asking For Trouble By Elizabeth Young

journey that taught her how Washington really works—and really doesn't—in *A Fighting Chance*. As a child in small-town Oklahoma, Elizabeth Warren yearned to go to college and then become an elementary school teacher—an ambitious goal, given her family's modest means. Early marriage and motherhood seemed to put even that dream out of reach, but fifteen years later she was a distinguished law professor with a deep understanding of why people go bankrupt. Then came the phone call that changed her life: could she come to Washington DC to help advise Congress on rewriting the bankruptcy laws? Thus began an impolite education into the bare-knuckled, often dysfunctional ways of Washington. She fought for better bankruptcy laws for ten years

## Acces PDF Asking For Trouble By Elizabeth Young

and lost. She tried to hold the federal government accountable during the financial crisis but became a target of the big banks. She came up with the idea for a new agency designed to protect consumers from predatory bankers and was denied the opportunity to run it. Finally, at age 62, she decided to run for elective office and won the most competitive—and watched—Senate race in the country. In this passionate, funny, rabble-rousing book, Warren shows why she has chosen to fight tooth and nail for the middle class—and why she has become a hero to all those who believe that America's government can and must do better for working families.

When thirty-five-year-old France 's father calls to say that her mother,

## Acces PDF Asking For Trouble By Elizabeth Young

Grendy, has run off, France suspects foul play and heads south to investigate. Recently reunited with fellow former “mermaids” from Mermaid Springs, FL—one of the Sunshine State’s premier, pre-Disney attractions—Grendy had successfully revived her career in kitschy underwater pageants. But if she doesn’t find herself or let herself be found soon, she’ll miss the big Labor Day show. While the other fin-toting “merhags” regale France with stories of old—particularly the night Elvis came to town—they’re suspiciously tight-lipped about Grendy’s disappearance.

Increasingly convinced that Grendy is in trouble—and that a psychic cat might hold the clue—she makes a series of unexpected, extraordinary discoveries about Mermaid Springs,

## Acces PDF Asking For Trouble By Elizabeth Young

her mother, and, in turn, herself.

In the rare moments when Leigh Adelman has time to consider her chaotic life, it takes her breath away: there's her 14 year-old son Isaac, fierce and vulnerable; eight-year-old Jane, wise, tart-tongued and practical; baby Daisy, her joyful last child; and reasonable, patient Simon, a devoted husband and father.

Leigh's suburban New York life is 14 years distant from her first love. It had been electric, an adventure that produced the divine gift of Isaac -- and taught her that even all-consuming passion doesn't mean happily ever after. But that intense, hopeful time had slowly receded to a distant corner of her heart...until the summer morning when Fowler popped back into her life. Cautiously,

## Acces PDF Asking For Trouble By Elizabeth Young

Leigh walks into a Manhattan hotel bar, unfinished business compelling her to see the brilliant, uncompromising Fowler. And as soon as she hears his voice she understands that she has always loved him. But this rendezvous turns out to be less about first love than it is about a last chance. For it is clear that Fowler is dying. Honest, moving and utterly authentic, *Every Day* is about testing the boundaries of love, and living with the often messy consequences. For anyone who has ever daydreamed about the past, or silently wondered what if, this unforgettable novel rings with one essential truth: the toughest choices yield the most unexpected rewards.

## Acces PDF Asking For Trouble By Elizabeth Young

Times bestselling author of *Eat Pray Love* and *The Signature of All Things*, a delicious novel of glamour, sex, and adventure, about a young woman discovering that you don't have to be a good girl to be a good person. "A spellbinding novel about love, freedom, and finding your own happiness." - PopSugar "Intimate and richly sensual, razzle-dazzle with a hint of danger." -USA Today "Pairs well with a cocktail...or two." -TheSkimm "Life is both fleeting and dangerous, and there is no point in denying yourself pleasure, or being anything other than what you are." Beloved author Elizabeth Gilbert returns to fiction with a unique love story set in the New York City theater world during the 1940s. Told from the perspective of an older woman as she looks back on her youth with both

## Acces PDF Asking For Trouble By Elizabeth Young

pleasure and regret (but mostly pleasure), *City of Girls* explores themes of female sexuality and promiscuity, as well as the idiosyncrasies of true love. In 1940, nineteen-year-old Vivian Morris has just been kicked out of Vassar College, owing to her lackluster freshman-year performance. Her affluent parents send her to Manhattan to live with her Aunt Peg, who owns a flamboyant, crumbling midtown theater called the Lily Playhouse. There Vivian is introduced to an entire cosmos of unconventional and charismatic characters, from the fun-chasing showgirls to a sexy male actor, a grand-dame actress, a lady-killer writer, and no-nonsense stage manager. But when Vivian makes a personal mistake that results in

## Acces PDF Asking For Trouble By Elizabeth Young

professional scandal, it turns her new world upside down in ways that it will take her years to fully understand. Ultimately, though, it leads her to a new understanding of the kind of life she craves - and the kind of freedom it takes to pursue it. It will also lead to the love of her life, a love that stands out from all the rest. Now eighty-nine years old and telling her story at last, Vivian recalls how the events of those years altered the course of her life - and the gusto and autonomy with which she approached it. "At some point in a woman's life, she just gets tired of being ashamed all the time," she muses. "After that, she is free to become whoever she truly is." Written with a powerful wisdom about human desire and connection, *City of Girls* is a love story like no other.
