The events of December 8, 1984 are thus among the darkest days in rock history, and certainly the worst in the life of hard rock band M ö tley Cr ü e — a time when the partying got so intense that it left a body count. Cr ü e lead singer Vince Neil had been drinking at an L.A. area beach house for a few days almost totally interrupted.

Heavy metal (or simply metal) is a genre of rock music that developed in the late 1960s and early 1970s, largely in the United Kingdom and the United States. With roots in blues rock, psychedelic rock, and acid rock, heavy metal bands developed a thick, massive sound, characterized by distortion, extended guitar solos, emphatic beats, and loudness. The lyrics and performances are sometimes ...

Real Ugly (Hard Rock Roots #1) - A Gritty Rock Star Romantic Suspense WARNING: You are about to dive into a dark, gritty world of sex, drugs, and rock 'n' roll. Don't start reading unless you're into true love, hot sex, music that touches the soul, and tall as f*ck roller coasters. This series will make you laugh, cry, sweat, hate, love, think, and wonder. You will be torn in two and sewn back together, and you'll want it to happen all the h*ll over again. The characters in this book will drive you crazy, and they'll curse like sailors. We all love the word f*ck. A lot. Don't turn the page unless you're ready to get torn apart like the world's hardest rock riff. "These are real people with real problems. This is real life, and it's real f*cked up." Turner Campbell is an a**hole. I f*cking hate him. But I can't get enough either. He sings like an angel and f*cks like a devil. If I could, I'd run away and never look back because to tell you the truth, I think this man might be the death of me. & & Naomi Knox is a b*tch. I can't f*cking stand her. But I can't stop thinking about her either. She looks like an angel and plays like a devil. If I could, I'd f*ck her good and forget all about her, but to tell you the truth, I think this woman might be my last saving grace.

Naomi Knox is missing. I don't even f*cking know whether she's dead or alive. What I do know is that she's the air I need to breathe. She's my redemption, an all consuming fire that burns in my blood. And I'll do anything to find her. Anything. Even if it means the end for me. & & & Turner Campbell is searching. But he has no f*cking clue what it is he's searching for. There's darkness all around and enough secrets to choke. There are angels, and there are devils. It's impossible to tell them apart. Light needs to be shone on the truth, but there's no one left to hold the torch. The line between life and death is blurred, and the players are all thoroughly entrenched in the game. The question is: am I still one of them?

When the Peerless Quartet wrote "Way Down On Tampa Bay" in 1914, Tampa Bay's musical roots started growing. Tampa Bay is where Ray Charles created his first song, Hank Ballard wrote and recorded "The Twist," and the Rolling Stones cranked out their hit "Satisfaction." Stephen Stills attended both Plant High School and Admiral Farragut Academy, and Jim Morrison studied at St. Petersburg Junior College. Ella Fitzgerald kicked off her career on the storied Central Avenue in Ybor City. Savatage, Stranger, Diamond Grey, the Outlaws, Bleeding Hearts, Blackkout, the Arena Twins, Tampa Red, and Cheeky Monkey are all artists who have made a huge impact both locally and nationally. From its rock 'n' roll boom in the 1960s to the birth of death metal in the 1980s . . . Tampa Bay has had a rich musical history!

How do you move on when he's every song you sing? After Laurelyn walks away from Jack, she returns to Nashville to pursue the only dream she has left, and immerses herself in her music. An unforeseen opportunity sends her on a rocket ride straight to the top where Laurelyn finds the success she's always dreamed of. Meanwhile, Jack is searching for Laurelyn, but the woman he finds isn't the same one who drifted away without a goodbye. Can he make her visualize a life beyond the glitz and glamour ... a life that includes him?

Documenting Danny Marianino's days as a metalhead from childhood into adulthood, Don't Ever Punch a Rockstar somehow rationalizes playing in a few hardcore/punk bands, touring, fighting, drinking, internet bullying, celebrity encounters, satanic curses, house fires, harassment and collecting an immeasurable amount of hate mail from some of the most illiterate human beings the world has to offer. Though Oprah will never add this into her book club, it's still a good lesson in accepting the negative with a laugh and gaining a new sense of temperance and humility. At the very least I will entertain you with a campy memoir and a detailed eye-opening account of the chaos that followed the infamous event that VH1 called one of the Most Shocking Moments in Rock and Roll. This is by no means the same old autobiography that you have read before. Don't Ever Punch a Rockstar combine elements of Get in The Van, Emails from an Asshole and Shit My Dad Says all in one hot mess of a story. Praise for the book - "Danny Marianino's Never Punch A Rockstar is a sock in the jaw to punk/metal scene conformity, and it hurts so good! Final score: North Side Kings 2,

Danzig, 0." - STEVEN BLUSH, author/filmmaker, American Hardcore "As trenchant, sometimes funny, insightful and shocking as a punch in the face. WHICH is incidentally what started this whole ball rolling. A pretty potent look into the power of image and the punching of the face of arguably a legend of, well, face punching, Glenn Danzig, and the ensuing firestorm that followed. I'd give it 5 black eyes." -- EUGENE S. ROBINSON, singer for Oxbow & author of FIGHT: Everything You Ever Wanted to Know About Ass Kicking But Were Afraid You'd Get Your Ass Kicked For Asking "With Don't Ever Punch a Rock Star author Danny Marianino has written an entertaining, humorous and humble autobiography. The often times laugh-out-loud recollections of Danny's life up to and following the infamous run-in with the drama-queen of dark metal is more than engaging and, with the inclusion of hate mail, zany rumors, message board threats and internet tough guys, you're sure to get a good giggle while learning what truly transpired that fateful night in Tuba City." - DUSTIN LAVALLEY, author of Spinner "As we have always said on the streets of NY - don't start none -there wont be none - and if you do, at least keep your hands up and guard your grill. Way to K.O. rock star attitudes Danny Boy!" - John Joseph author of The Evolution of a Cro-Magnon and Meat is For Pussies

MOXIE is the third and final book in the "Rock-Hard Beautiful Trilogy" by International Bestselling Author C.M. Stunich beginning with the book GROUPIE...WARNING: This book ends with one girl finding her happily ever after with five handsome guys, opening the endless well of love in her heart to the rock band, Beauty in Lies. The pages herein contain graphic sex, lovemaking, quickies, romance, world travel, a little guy on guy action, admissions of love, rock 'n' roll music and genuine friendship. This book should only be read by those who've got a little moxie in their step."What would you do if you were in love five times over?"Lilith Tempest Goode. The one and only groupie for the rock band, Beauty in Lies. One woman on a world tour with her five rockstar soulmates. She's the moon and they, they are her stars. The whole world seems to shine a little brighter when they're together, carrying them through Ireland, England, Japan, Australia...and back to the city of Seattle to start their real lives together. Five guys. One girl with a lot of moxie and a boatload of spirit. That's what it takes to make a fresh start. If they can open the gilded cage of their grief, let it fly free on wings of hope, they'll have a future together. But real life is different than a rock 'n' roll tour. They might've healed their souls, but can they mingle their hearts? Seattle, Washington. Six broken people on the mend. One happily ever after. MOXIE is a full-length new adult erotic rockstar read. This book is a MMMFMM romance/menage romance/reverse harem story with one lucky girl and her five lovers. But this is about more than sex. This is about love and heartache and fresh truths covering up old hurts. This book is about music and romance and unconventionality. Book one in the series is titled GROUPIE and book two is ROADIE. This is the final installment. LOOK FOR MORE REVERSE HAREM BOOKS FROM C.M. STUNICH (one girl, three or more male love interests, no choosing!) 1. City Council President Joseph Coolman was pissed. His eyes were filled with vinegar, bile, rage you name it! I mean hotter than Marge Tartaglione on a bad day... "I promise you on the grave of my father that I will destroy that son of bitch!" scowled Joe Coolman as he sipped his Hennessy. He was sitting in the dark of his City Council

President Office firmly affixed in his big leather chair. He slowly rocked back and forth. He was like a cobra. Ready to pounce. Maybe like a panther. But not moving too quickly. This one would take a little time. "Big Blarney my ass," he spoke to himself. And a patient man he was.... NOT A HAPPY BREAKFAST Democratic Party Unity Breakfast, Philadelphia, Pennsylvania. Bellevue Stratford Hotel. No matter how bad the political war or election, primary or general, the eggs get scrambled together into an omelet. They meet the day after the election to make peace. To unify. To continue to solidify the dominant political party again no matter what. Philly is a Democrat town. No ifs, ands, or cannolis about it. With a 7 to 1 voter registration advantage in the fifth largest city in the country (No, Philly didn't drop to lower than 6th or 7th nationally except maybe in the National League East). In terms of voter advantage, not even Frank Rizzo could switch over that Democrat number to Republican. Not even half would do it for the Bambino these days. With a voter lead like that, Johnny Bouchee and The Democratic Party of Philadelphia County / City of Philadelphia had "fuck you votes." He didn't need shit from anybody to win a general election by 4 or 5 to one in November even if the roof fell in or Rizzo appeared in the clouds over Boathouse Row. But this past primary created a lot of bad blood. A lot. The cuts went deep, and the screwing was of blarney and booze. The good of it, for Johnny Bouchee, was The Irish retook the City politically. It had been a while. But Johnny and Bobby Eamon were sitting pretty these days. They were smirking a great deal as the sun glimmered in those Irish Eyes. But like I said, this one cut deep. There was gonna be a price to pay. This Democrat's Unity Breakfast needed a lot of salve and bandages to heal. Salve? They needed more than that! They needed morphine and transplant organs to heal this trauma. The road to recovery went through the heart of North Philadelphia. The reason for it was simple. The African American Political Hierarchy took more than a haircut as James Francis Malloy became the Democratic Nominee for Mayor of Philadelphia. In truth, they got scalped. And the blood was all over Johnny Bouchee's and Bobby Eamon's hands. It happened like this every primary election. It was lick the wounds day and make peace and give respect to the vanquished over cold eggs and scrapple. In fact, Johnny Bouchee had been doing this breakfast for decades... but not today. Today, the rift was a little too big to manage over a breakfast, and Johnny knew it. It was bloody and ugly. A bad cut above the eye. The Philly Democrats looked like Rocky Balboa's face.
