"We must believe that God not only has the power to help us, but also the will," writes bestselling author Chieko Okazaki. Her latest book is filled with evidences of the Savior's unlimited love for us. Chapters on the power of prayer, trusting in the Lord, and the joy of living the gospel invite us to claim the blessings our Savior has in store for us and demonstrate how the Lord gives and gives until we are fuller than we ever would have thought possible.--From publisher description.

Translated by Audie E. Bock. "A first rate book and a joy to read.... It's doubtful that a complete understanding of the director's artistry can be obtained without reading this book.... Also indispensable for budding directors are the addenda, in which Kurosawa lays out his beliefs on the primacy of a good script, on scriptwriting as an essential tool for directors, on directing actors, on camera placement, and on the value of steeping oneself in literature, from great novels to detective fiction."

--Variety "For the lover of Kurosawa's movies...this is nothing short of must reading...a fitting companion piece to his many dynamic and absorbing screen entertainments." --Washington Post Book World
