The Autobiography of Malcolm X was intended to be a true autobiography, with the name of Alex Haley appearing not at all or as a ghost writer or as a mere contributor or assistant. However, with the assassination of Malcolm X having occurred in Harlem in New York City on February 21, 1965 just before this book could be published, it became necessary to reveal the important role of Alex Haley in creating this book.

ONE OF TIME'S TEN MOST IMPORTANT NONFICTION BOOKS OF THE TWENTIETH CENTURY In the searing pages of this classic autobiography, originally published in 1964, Malcolm X, the Muslim leader, firebrand, and anti-integrationist, tells the extraordinary story of his life and the growth of the Black Muslim movement. His fascinating perspective on the lies and limitations of the American Dream, and the inherent racism in a society that denies its nonwhite citizens the opportunity to dream, gives extraordinary insight into the most urgent issues of our own time. The Autobiography of Malcolm X stands as the definitive statement of a movement and a man whose work was never completed but whose message is timeless. It is essential reading for anyone who wants to understand America. Praise for The Autobiography of Malcolm X "Extraordinary . . . a brilliant, painful, important book."—The New York

Each chapter is individually summarized and analyzed, and has study questions and answers.

Amazon.com Review Malcolm X's searing memoir belongs on the small shelf of great autobiographies. The reasons are many: the blistering honesty with which he recounts his transformation from a bitter, self-destructive petty criminal into an articulate political activist, the continued relevance of his militant analysis of white racism, and his emphasis on self-respect and self-help for African Americans. And there's the vividness with which he depicts black popular culture--try as he might to criticize those lindy hops at Boston's Roseland dance hall from the perspective of his Muslim faith, he can't help but make them sound pretty wonderful. These are but a few examples. The Autobiography of Malcolm X limns an archetypal journey from ignorance and despair to

Read Free Biography Malcolm X

knowledge and spiritual awakening. When Malcolm tells coauthor Alex Haley, "People don't realize how a man's whole life can be changed by one book," he voices the central belief underpinning every attempt to set down a personal story as an example for others. Although many believe his ethic was directly opposed to Martin Luther King Jr.'s during the civil rights struggle of the '60s, the two were not so different. Malcolm may have displayed a most un-Christian distaste for loving his enemies, but he understood with King that love of God and love of self are the necessary first steps on the road to freedom.

--Wendy Smith Review Biography, published in 1965, of the American black militant religious leader and activist who was born Malcolm Little. Written by Alex Haley, who had conducted extensive audiotaped interviews with Malcolm X just before his assassination in 1965, the book gained renown as a classic work on black American experience. The Autobiography recounts the life of Malcolm X from his traumatic childhood plagued by racism to his years as a drug dealer and pimp, his conversion to the Black Muslim sect (Nation of Islam) while in prison for burglary, his subsequent years of militant activism, and the turn late in his life to more orthodox Islam.

--The Merriam-Webster Encyclopedia of Literature

An epic, award-winning biography of Malcolm X that draws on hundreds of hours of personal interviews and rewrites much of the known narrative. Les Payne, the renowned Pulitzer Prize-winning investigative journalist, embarked in 1990 on a nearly thirty-year-long quest to create an unprecedented portrait of Malcolm X, one that would separate fact from fiction.

The result is this historic, National Book Award-winning biography, which interweaves previously unknown details of Malcolm X's life—from harrowing Depression-era vignettes to a moment-by-moment retelling of the 1965 assassination—into an extraordinary account that contextualizes Malcolm X's life against the wider currents of American history. Bookended by essays from Tamara Payne, Payne's daughter and primary researcher, who heroically completed the biography after her father's death in 2018, *The Dead Are Arising* affirms the centrality of Malcolm X to the African American freedom struggle.

The Black leader discusses his political philosophy and reveals details of his life, shedding light on the ideas that enabled him to gain the allegiance of a still growing percentage of the Black population

Winner of the Pulitzer Prize for History and a New York Times bestseller, the definitive biography of Malcolm X Hailed as "a masterpiece" (San Francisco Chronicle), Manning Marable's acclaimed biography of Malcolm X finally does justice to one of the most influential and controversial figures of twentieth-century American history. Filled with startling new information and shocking revelations, Malcolm X unfolds a sweeping story of race and class in America. Reaching into Malcolm's troubled youth, it traces a path from his parents' activism as followers of Marcus Garvey through his own work with the Nation of Islam and rise in the world of black nationalism, and culminates in the never-before-told true story of his assassination. Malcolm X is a stunning achievement, the definitive work on one of our greatest advocates

for social change.

This fresh biography unearths previously unpublished nuances about Malcolm X's life. • Photographs • An exhaustive chronology

"In graphic novel format, explores the life and death of Malcolm X"--Provided by publisher.

Malcolm X was a famous African-American human rights activist and spokesperson for Black Nationalism in the United States. As a polarizing figure within the media of mid-20th century America, he attracted massive plaudits from his followers and huge criticisms from his opponents. Departing from the passive practices of his contemporaries, Malcolm advocated a much more aggressive approach in the fight for the civil rights of African-Americans. His speeches electrified his audiences and terrified his enemies. As if in narrative, it was during one of his speeches, doing what he did best, that Malcolm was assassinated by three gunmen set on silencing him. With his family moving several times due to racist incidents as a boy, Malcolm's negative views towards white people and institutionalized racism developed early. Never settling for long and watching his family fall apart, he fell into a young life of crime and was sent to a juvenile detention center at the age of 13. It was that same year that his mother was placed in a mental institution. Leaving school at 15, he became involved with gambling, drug dealing, and racketeering, before eventually being sent to prison for breaking and entering at the age of 20. It was there, through a friend, that he discovered the power

of words for the first time. Encouraged by his brothers from the outside, he found religion, became a Muslim and joined the Nation of Islam. Upon his release he became a minister for the Nation of Islam and quickly rose through their ranks.

The age of multitasking needs better narrative history. It must be absolutely factual, immediately accessible, smart, and brilliantly fun. Enter Andrew Helfer, the award-winning graphic-novel editor behind *Road to Perdition* and *The History of Violence*, and welcome the launch of a unique line of graphic biographies. If a picture is worth a thousand words, these graphic biographies qualify as tomes. But if you're among the millions who haven't time for another doorstep of a biography, these books are for you. With the thoroughly researched and passionately drawn *Malcolm X*, Helfer and award-winning artist Randy DuBurke capture Malcolm Little's extraordinary transformation from a black youth beaten down by Jim Crow America into Malcolm X, the charismatic, controversial, and doomed national spokesman for the Nation of Islam.
