Cosmoline Rust-Veto 342 - Industrial Grade

Product Description Rust Veto 342 is a thin fluid type rust preventative that leaves an amber, translucent, waxy dry film. It protects iron and steel from rust for lengthy storage indoors and outdoors. Numbers and lettering can be clearly seen through the film when the solvent has evaporated from it.

RUST VETO® 342 – Houghton International

Rust Veto 342 is a thin ?uid type rust preventative that leaves an amber, translucent, waxy dry ?lm. It protects iron and steel from rust for lengthy storage indoors and outdoors. Numbers and lettering can be clearly seen through the ?lm when the solvent has evaporated from it.

How to apply RP-342 cosmoline anti-rust protectant - YouTube

“Original Cosmoline” – Rust Veto 342 is a thin fluid type product, not a grease. Not recommended for painted surfaces because product may remove paint. This protective coating must be removed before welding because it contains metallic soaps which interfere with welding.

Where To Buy Cosmoline | Schafco

IMPORTANT #2: RP-342 is a heavily-concentrated rust preventative. For best results, each spray can should be shaken vigorously for about 2 minutes to ensure a uniform coat. The aerosol cans should also be shaken intermittently during longer application sessions. GENERAL INSTRUCTIONS - Spray a generous, even coating on your surface and let dry.

Amazon.com: Cosmoline RP-342 Black Rust Preventive Spray ...

For better or worse, the ‘original’ Cosmoline product doesn’t exist anymore. The current exclusive distributor markets a product called “Original Cosmoline” or Rust Veto 342 which is as close to the real thing available. However, it is actually more of a liquid than a gel like the OG coating. From the Schafco Information Page:

Re: Cosmoline RP-342"Heavy" Rust Preventative Spray (Military-Grade) 12-Cans I'm pleased with the product, to a point, (i.e. not "Heavy"), Unfortuallly, I thought the product, would have been just a little thicker. It seemed very runny to me. Also, as hard as I tried, I could not keep the Straw on the can. It kept blowing off the tip.
