the good news that lead to a gradual drift from the truth of Scripture? The gospel is like a three-legged stool. There ' s the Gospel Story – the grand narrative of Scripture (Creation, Fall, Redemption, Restoration). Within that overarching framework, we make the Gospel Announcement about Jesus Christ (His perfect life, substitutionary death, resurrection, exaltation). The gospel announcement then births the Gospel Community: God ' s church – the embodiment of the gospel, the manifestation of God ' s kingdom. A counterfeit gospel is like a colony of termites, eating away at one of the legs of this stool until the whole thing topples over. This book exposes six common counterfeits (Therapeutic, Judgmentless, Moralistic, Quietist, Activist, and Churchless) that would get us off track. The goal of Counterfeit Gospels is to so deepen our love for the unchanging gospel of Jesus Christ that we would easily see through the many counterfeits that leave us impoverished. So come, love the gospel, recognize and overcome the counterfeits, and be empowered for ministry!

As fallen human beings we are quick to deviate from the true gospel, for, as Pastor Josh Moody writes, “ we tend toward human gospels. ” Believers must constantly battle to maintain the purity and simplicity of the gospel. Paul was acutely aware of this as he wrote his letter to the Galatians. He was writing to an established church—experienced believers who had started to slip in their gospel witness. Moody finds in Galatians particular relevance and parallels to many churches today. Stemming from a series of sermons delivered to his church, he examines thirty-one reasons Paul gives for this gospel. Moody writes this book with a pastor ' s heart, addressing important topics such as “ The Gospel Not Moralism ” and “ The Use of Gospel Freedom. ” Paul ' s message is foundational to the Christian faith, and

thoughtful readers will benefit from Moody ' s exposition.

"I was stuck. I believed the gospel changed people, but I knew it wasn ' t changing me. My head was filled with knowledge about God, but my heart was not convinced He even knew my name. How could I live as His child while feeling like a spiritual orphan?" — Ruthie Delk Are you stuck? Craving something but don ' t know what? Ruthie Delk shares a clear and concrete way to preach the gospel to yourself. We all need to be reminded of the gospel, the real gospel that brings freedom and life and hope, a gospel that is worth celebrating and sharing. This book will empower you to move from a cycle of resistance, separation, and loneliness to a life of restoration and freedom.

Popular author and pastor helps Christians stop trying to live up to standards Jesus never set for us and embrace the life giving things he did say.

The gospel must shape discipleship. Non-gospel messages do not foster spiritual growth. Chase joins a growing group of leaders on mission to help the church rediscover the truth that the gospel isn't just the power of God to save us; it's the power of God to grow us once we're saved.

Follow your heart. You do you. You are enough. We take these slogans for granted, but what if this path to personal happiness leads to a dead-end? In Rethink Your Self, Trevin Wax encourages you to rethink some of our society ' s most common assumptions about identity

## Read Book Counterfeit Gospels Rediscovering The Good News In A World Of False Hope Trevin Wax

and the road to happiness. Most people define their identity and purpose by first looking in (to their desires), then looking around (to express their uniqueness), and finally—maybe—looking up (to add a spiritual dimension to life). Rethink Your Self proposes a counter-intuitive approach: looking up before looking in. It's only when we look up to learn who we were created to be that we discover our true purpose and become our truest selves.

Urban Legends of the New Testament surveys forty of the most commonly misinterpreted passages in the New Testament. These “urban legends” often arise because interpreters neglect a passage's context, misuse historical background information, or misunderstand the Greek language. For each New Testament text, professor David Croteau describes the popular, incorrect interpretation and then carefully interprets the passage within its literary and historical context. Careful attention is given to sound principles of biblical interpretation to guide readers through the process and reach a more accurate understanding of each text's meaning. With examples from the Gospels, Acts, the Epistles, and Revelation, Urban Legends of the New Testament will not only help readers avoid missteps in these forty texts but also provide a model for engaging in correct interpretation of other New Testament passages.

Gospel-Centered Theology for Today Evangelical Theology, Second Edition helps today's readers understand and practice the doctrines of the Christian faith by presenting a gospel-centered theology that is accessible, rigorous, and balanced. According author Michael Bird the gospel is the fulcrum of Christian doctrine; the gospel is where God meets us and where we introduce the world to God. And as such, an authentically evangelical theology is the

## Read Book Counterfeit Gospels Rediscovering The Good News In A World Of False Hope Trevin Wax

working out of the gospel in the various doctrines of Christian theology. The text helps readers learn the essentials of Christian theology through several key features, including: A "What to Take Home" section at end of every part that gives readers a run-down on all the important things they need to know. Tables, sidebars, and questions for discussion to help reinforce key ideas and concepts A "Comic Belief" section, since reading theology can often be dry and cerebral, so that readers enjoy their learning experience through some theological humor added for good measure. Now in its second edition, Evangelical Theology has proven itself in classrooms around the world as resource that helps readers not only understand the vital doctrines of Christian theology but one that shows them how the gospel should shape how they think, pray, preach, teach, and minister in the world.

We may know the gospel. We may believe it—even proclaim it. But we also may assume the gospel and become lethargic. In this book Jared Wilson seeks to answer the central question, how do we experience and present the gospel in a fresh, nonroutine way in order to prevent ourselves and others from becoming numb? His answer may be surprising: “ by routinely presenting the unchanging gospel in a way that does justice to its earth-shaking announcement. ” We don ’ t excite and awaken people to the glorious truths of the gospel by spicing up our worship services or through cutting-edge, dramatic rhetoric, but by passionately and faithfully proclaiming the same truths we have already been given in Scripture. Wilson ’ s book will stir churches to live out the power of the gospel with a fervent, genuine zeal. After an explanation of the term “ gospel wakefulness, ” Wilson unpacks implications for worship, hyper-spirituality, godly habits, and sanctification, as well as other

# Read Book Counterfeit Gospels Rediscovering The Good News In A World Of False Hope Trevin Wax

aspects of church life. Pastors, church leaders, and all in ministry, especially those who are tired or discouraged, will be uplifted, emboldened, and empowered by this book.

What would God say about those who blatantly misrepresent His Holy Spirit; who exchange true worship for chaotic fits of mindless ecstasy; who replace the biblical gospel with vain illusions of health and wealth; who claim to prophesy in His name yet speak errors; and who sell false hope to desperate people for millions of dollars? The charismatic movement has always been a breeding-ground for scandal, greed, bad doctrine, and all kinds of spiritual chicanery. As a movement, it is clearly headed the wrong direction. And it is growing at an unprecedented rate. From the Word of Faith to the New Apostolic Reformation, the Charismatic movement is being consumed by the empty promises of the prosperity gospel. Too many charismatic celebrities promote a “Christianity” without Christ, a Holy Spirit without holiness. And their teaching is having a disastrous influence on a grand scale, as large television networks broadcast their heresies to every part of the world. In *Strange Fire*, bestselling author and pastor John MacArthur chronicles the unsavory history behind the modern Charismatic movement. He lays out a chilling case for rejecting its false prophets, speaking out against their errors, showing true reverence to the Holy Spirit, and above all clinging to the Bible as the inerrant, authoritative Word of God and the one true standard by which all truth claims must be tested.
