Transports students beyond the classroom on an exciting journey through the diverse Spanish-speaking world. The perfect blend of culture, instruction and interaction enables and motivates students to succeed. Units are built around countries and cities. Relevant instruction is based on multi-tiered differentiation in presentation, practice, and assessments.

REALIDADES is a standards-based Spanish curriculum that balances grammar and communication. The program offers technology designed to integrate language and culture to teach and motivate all students.

The Legal Guide to Affordable Housing Development is a clearly written, practical resource for attorneys representing local governments (municipalities, counties, housing authorities, and redevelopment agencies), housing developers (both for-profit and nonprofit), investors, financial institutions, and populations eligible for housing.

This book is intended for professionals who are beginning the process of learning about the federal low-income housing tax credit ("Housing Credit," also known as LIHTCs). Even the most capable student cannot obtain a working knowledge by reading one, or even several publications on the subject. The rules and practices are too complex, particularly for compliance. But every journey starts somewhere, and this book will help with your first application/allocation/closing/property whichever role brings you to this industry."

Presents an introduction to grammar along with a variety of exercises for English language learners.

The definitive research paper guide, Writing Research Papers combines a traditional and practical approach to the research process with the latest information on electronic research and presentation. This market-leading text provides students with step-by-step guidance through the research writing process, from selecting and narrowing a topic to formatting the finished document. Writing Research Papers backs up its instruction with the most complete array of samples of any writing guide of this nature. The text continues its extremely thorough and accurate coverage of citation styles for a wide variety of disciplines. The fourteenth edition maintains Lester's successful approach while bringing new writing and documentation updates to assist the student researcher in keeping pace with electronic sources.

Print Student Edition

REALIDADES is a Standards-based middle school and high school Spanish program that combines language proficiency and cultural understanding. The program integrates research-based communication strategies, support for differentiated instruction, engaging technology, and a personalized learning management system (realidades.com) to make the program real for today's Spanish students.
