"That Spot" is a short story written by Jack London in 1908 "I don't think much of Stephen Mackaye any more, though I used to swear by him. I know that in those days I loved him more than my own brother. If ever I meet Stephen Mackaye again, I shall not be responsible for my actions. It passes beyond me that a man with whom I shared food and blanket, and with whom I mushed over the Chilcoot Trail, should turn out the way he did."

Max is used to being called Stupid. And he is used to everyone being scared of him. On account of his size and looking like his dad. Kevin is used to being called Dwarf. On account of his size and being some cripple kid. But greatness comes in all sizes, and together Max and Kevin become Freak The Mighty and walk high above the world. An inspiring, heartbreaking, multi-award winning international bestseller.

Though best known for The Red Badge of Courage, his classic novel of men at war, in his tragically brief life and career Stephen Crane produced a wealth of stories—among them "The Monster," "The Upturned Face," "The Open Boat," and the title story—that stand among the most acclaimed and enduring in the history of American fiction. This superb volume collects stories of unique power and variety in which impressionistic, hallucinatory, and realistic situations alike are brilliantly conveyed through the cold, sometimes brutal irony of Crane's narrative voice.

The classic story about the power of words. Donavan Allen doesn't collect coins, comics, or trading cards like most kids. He collects words—big words, little words, soft words, and silly words. Whenever Donavan finds a new word, he writes it on a slip of paper and puts it in his word jar. But one day, Donavan discovers that his word jar is full. He can't put any new words in without taking some of the old words out—and he wants to keep all his words. Donavan doesn't know what to do, until a visit to his grandma provides him with the perfect solution.

Poe's preference for not naming his narrators is potent once again in "The Tell-Tale Heart", a story that is trying so hard to appear sane, but fails miserably in the end. With minute preparations, perfect calculations, and even more precise execution of the conceived gruesome act, the narrator successfully fulfils his purpose, only to be lost in a battle with his sanity and guilt afterwards. Backed by the numerous movie and theatrical adaptations, the story is considered one of Poe's most popular and critically acclaimed. Edgar Allan Poe (1809-1849) was an American poet, author, and literary critic. Most famous for his poetry, short stories, and tales of the supernatural, mysterious, and macabre, he is also regarded as the inventor of the detective genre and a contributor to the emergence of science fiction, dark romanticism, and weird fiction. His most famous works include "The Raven" (1945), "The Black Cat" (1943), and "The Gold-Bug" (1843).
