Every parent wants the best for their child. That's why they send them to college! But most parents struggle to pay for school and end up turning to student loans. That's why the majority of graduates walk away with \$35,000 in student loan debt and no clue what that debt will really cost them.¹ Student loan debt doesn't open doors for young adults—it closes them. They postpone getting married and starting a family. That debt even takes away their freedom to pursue their dreams. But there is a different way. Going to college without student loans is possible! In Debt-Free Degree, Anthony O'Neal teaches parents how to get their child through school without debt, even if they haven't saved for it. He also shows parents: *How to prepare their child for college *Which classes to take in high school *How and when to take the ACT and SAT *The right way to do college visits *How to choose a major A college education is supposed to prepare a graduate for their future, not rob them of their paycheck and freedom for decades. Debt-Free Degree shows parents how to pay cash for
