Finland (Finnish: Suomi (); Swedish: Finland [ˈfɪnˌlɑ̃nd] (); Finland Swedish: ), officially the Republic of Finland (Finnish: Suomen tasavalta, Swedish: Republiken Finland (listen to all)), is a Nordic country located in Northern Europe.Finland shares land borders with Sweden to the west, Russia to the east, and Norway to the north and is defined by the Gulf of Bothnia to the west and the ...

Migrants and Literature in Finland and Sweden presents new comparative perspectives on transnational literary studies. This collection provides a contribution to the production of new narratives of the nation. The focus of the contributions is contemporary fiction relating to experiences of migration. When people are in motion, it changes nations, cultures and peoples. The volume explores the ways in which transcultural connections have affected the national self-understanding in the Swedish and Finnish context. It also presents comparative aspects on the reception of literary works and explores the intersectional perspectives of identities including class, gender, ethnicity, "race" and disability. This volume discusses multicultural writing, emerging modes of writing and generic innovations. Further, it also demonstrates the complexity of grouping literatures according to nation and ethnicity. This collection is of particular interest to students and scholars in literary and Nordic studies as well as transnational and migration studies.

Virpi came to America from Finland, where she was born. She and her husband both got Green Cards and moved to Atlanta from Vantaa. Her over 20 years tuggle with thought reading and its broadcasting has not stop her to working but it has damaged many friendships, what she had long time ago. This is photographybook about her real past, includes some examples about what was reality decades ago. Friends and all hiding this issue and it has created hatecrime. She wants to stop to hate and turn it to love. www.StopHateLoveVirpi.com

This is an extensive manual of the Finnish language. It is an ideal source of information when you wish to learn about some specific features of Finnish, such as pronunciation, word formation, notational conventions, or verb forms, even with minimal or no previous understanding of the language. It is intended primarily for people who study, learn, or use Finnish as a foreign language. It is particularly useful to advanced language learners, translators, and linguists. The book covers - all the major features of Finnish grammar, including both standard written language, common spoken language, and features of major dialects - treatises of key specialties of Finnish such as idiomatic uses of locational case forms - in-depth look at some topics largely ignored in Finnish grammars, such as compositive forms of words and "passive" forms of verbs - punctuation rules and rules for writing numbers and special notations - issues in writing and processing Finnish-language texts in the modern world, with computers The book is also useful to people with Finnish as their native or second language, because it gives them a different look at the language. The approach in the book partly deviates from the tradition of Finnish grammars, Finnish style guides, and teaching of Finnish at schools. It treats Finnish as a world to be explored, rather than something we know all too well, and it treats it like any other language, using international concepts and terms.

From awkward interactions on public transportation to avoiding small talk with salespeople, introverts from all over the world will find something to love in this comic sensation from Finland. Mild-mannered protagonist Matti is a typical Finn who appreciates peace, quiet, and personal space—but things do not always go according to his wishes. Finnish Nightmares is an illustrated collection of his and many people's worst fears when it comes to social interactions. Divided into sections on dealing with neighbors, going shopping, sharing public spaces, tense dining situations, and more, there is a comic for every squeamish scenario, from having to sing your own praises in a job interview, to being unable to leave your apartment because a neighbor is in the hallway. A fascinating look at Nordic culture, globe trotters and armchair travelers alike will enjoy this insider's glimpse into the local life and habits of Finland. With a charming and quirky universality, there is an awkward and laughable situation that everyone can relate to in Finnish Nightmares.

'Miradas híbridas sobre la lengua y la literatura alemanas' nace bajo la idea de que la lengua es un fenómeno dinámico cuya prueba más irrefutable es la continua interacción entre las personas. Sin la interacción no se genera cultura, lo que hace inseparables los dos conceptos centrales de este volumen. Esta obra, que recoge algunos de los trabajos presentados en el VIII Congreso de la Federación de Asociaciones de Germanistas de España, se apoya al mismo tiempo en la idea de que comprender culturas es interpretar sus manifestaciones según los criterios culturales de una comunidad. // Sprachen sind ein dynamisches Phänomen, denn sie basieren auf dem fortwährenden Austausch zwischen Menschen. Aus dieser Interaktion entsteht Kultur. (Inter-)Kulturelle Verständigung kann daher durch die Interpretation kultureller Manifestationen einer Gemeinschaft erfolgen. In diesem Sinne werfen die Autorinnen und Autoren dieses Bandes ‚Hybride Blicke auf die deutsche Sprache und Literatur‘. Sprach- und literaturwissenschaftliche Beiträge sowie kultur- und geschichtswissenschaftliche Analysen unreißen das breite Themenspektrum der spanischen Germanistik im 21. Jahrhundert.

Claudia Campbell and Casio Hightower are haunted by an assault by a gunman ten years earlier, and when Claudia's husband, Victor, the assistant district attorney, starts investigating the case, Casio is determined to help him.

In Defending Democracy in Cold War Finland, Marek Fields offers an account on the various informational and cultural strategies Britain and the United States used during the early Cold War decades in order to increase their influence in Finland.

Help Wilke and Miranda save the beautiful unicorn from the nasty Duke of Malefort and solve some puzzles along the way.
