Libro del alumno impreso para el nivel Elementary con eWorkbook que contiene recursos de apoyo adicionales para la práctica de revisión y auto-estudio

Cambridge Global English (7-8) is a lower Secondary course following the Cambridge Secondary English as a Second Language Curriculum Framework developed by Cambridge English Language Assessment. The course is also aligned with the Common European Framework of Reference.

This new component offers a business related alternative to the existing eWorkbook to the award-winning adult course Global. This takes the innovative eWorkbook and provides business-related content to either act as a supplement to the Global Coursebook or as a stand-alone self-study business English course.

Helping users to learn English, to learn about English and to learn through English, this title is suitable for students who want to communicate in a global environment.

The course for teachers who want to get their students communicating with confidence. face2face is an easy-to-teach General English course that helps adults and young adults to speak and listen with confidence. The Workbook with Key offers additional consolidation activities and a Reading and Writing Portfolio for extra skills practice.

Captivating Discovery Education(TM) video and stimulating global topics spark curiosity and engage teenage learners.

Learner's Book 1 provides the core input for Stage 1 with nine thematic units of study ending with an engaging project and opportunity for self-assessment. Richly illustrated units contain six lessons, each developed around a unifying theme. The materials feature skills-building tasks for listening, reading, writing and speaking. 'Writing tip', 'Language detective' and 'Words to remember' features highlight and focus on vocabulary development and language awareness. Lessons include a variety of texts: factual and fictional, dialogue and poetry covering a range of topics. Accompanying Audio CDs include listening material for Stage 1 Learner's and Activity Books. CEFR Level: towards A1.

Assuming no prior knowledge, this book offers an accessible overview of English dialects, with activities, study questions, sample analyses, commentaries & key readings. It is structured around four sections: introduction, development, exploration & extension.
