Developing Your Spiritual Understanding (DYSU) is a confirmation lesson focusing on: increasing spiritual awareness; teaching youth how to make

sound Christian decisions; and encouraging active participation in the church, school, community and the world. While spiritual development is personal, it is fostered through educating individuals about prayer, worship and service. It is imperative for

youth in the 21st century to become empowered with a renewed sense of confidence and self-esteem. This can only be accomplished when given the right tools to make spiritual life choices. We welcome each youth to take this confirmation journey

Weekly Memory Verse - A short memory verse connected to the weekly lesson. By the fourth day of the specific lesson, your student should be able to recite the verse from memory. There is

space on the fourth day to write the verse from memory. Scripture Prayer - Each week will also have a scripture that your student will rewrite into a prayer. This can be done by simply using the personal pronouns I and me or your student can completely

rewrite the passage in their own words as a prayer. Example: Ephesians 4:31-32, "I will be kind to every person, tender-hearted, forgiving each person, just as God in Christ has forgiven me." After writing the prayer on the first day, the student should pray

Vocabulary - Each week will also have a few vocabulary words. Feel free to change or add to this list to make it more appropriate for your student. Each day will have some exercises to learn the vocabulary words.

Comprehension - Each day's lesson has a lesson on comprehension. A variety of methods is used: fill in the blank, True and False, what does this scripture mean to you as well as other methods. Answers are in the main book. With subjective
