Roy, who is new to his small Florida community, befriends a mysterious boy who introduces him to potty-trained alligators, burrowing owls, and sparkly-tailed poisonous snakes. A Newbery Honor Book, ALA Notable Book, & ALA Best Book for Young Adults. Reissue.

This Newbery Honor winner and #1 New York Times bestseller is a beloved modern classic. Hoot features a new kid and his new bully, alligators, some burrowing owls, a renegade eco-avenger, and several extremely poisonous snakes. Everybody loves Mother Paula's pancakes. Everybody, that is, except the colony of cute but endangered owls that live on the building site of the new restaurant. Can the awkward new kid and his feral friend prank the pancake people out of town? Or is the owls' fate cemented in pancake batter? Welcome to Carl Hiaasen's Florida—where the creatures are wild and the people are wilder!

Hilarious, touching and thought-provoking, Hoot is a modern classic, now celebrating its fifteenth anniversary. Winner of the Newbery Honor award and a New York Times bestseller, Carl Hiaasen's first novel celebrates the natural world with his trademark wit and warmth. Roy Eberhardt never wanted to move to Florida. In his opinion, Disney World is an armpit. Roy ' s family moves around a lot so he ' s used to the new-kid drill — he's also used to bullies like Dana Matherson. And anyway, it ' s because of Dana that Roy gets to see the mysterious running boy who runs away from the school bus and who has no books, no backpack and, most bizarrely, no shoes. Sensing a mystery, Roy starts to trail the mystery runner — a chase that will introduce him to many weird Floridian creatures: potty-trained alligators, cute burrowing owls, a fake-fart champion, a shoeless eco-warrior, a sinister pancake PR man, new friends and some snakes with sparkly tails. As the plot thickens, Roy and his friends realise it's up to them to save the endangered owls from the evil Mother Paula's pancake company who are planning to build a new restaurant on their home . . .

Richard's cousin is missing, and his best hope of finding her rests with the wily, one-eyed, ex-governor of Florida. Carl Hiaasen introduces his iconic character Skink to a younger audience in this nail-biting adventure! A National Book Award Longlist Selection Classic Malley: her parents are about to ship her off to boarding school, so she takes off with some guy she met online... Poor Richard: he's less of a rebel than Malley, and a lot less trusting. He knows his cousin is in trouble before she does. Wild Skink: he's a ragged, one-eyed, ex-governor of Florida, and enough of a renegade to think he can track Malley down. With Richard riding shotgun, this unlikely pair scour the state, undaunted by blinding storms, crazed pigs, flying bullets, and giant gators. In Carl Hiaasen's outrageous, hilarious, and wildly dangerous state of Florida, there are a million places an outlaw might stash a teenage girl. A million unpleasant ways to die. And two who will risk everything to rescue a friend . . . and to, hopefully, exact a bit of swamp justice.

A hilarious, high-stakes adventure involving crooked casino boats, floating fish, toxic beaches, and one kid determined to get justice. This is Carl Hiaasen's Florida—where the creatures are wild and the people are wilder! You know it's going to be a rough summer when you spend Father's Day visiting your dad in the local lockup. Noah's dad is sure that the owner of the Coral Queen casino boat is flushing raw sewage into the harbor — which has made taking a dip at the local beach like swimming in a toilet. He can't prove it though, and so he decides that sinking the boat will make an effective statement. Right. The boat is pumped out and back in business within days and Noah's dad is stuck in the clink. Now Noah is determined to succeed where his dad failed. He will prove that the Coral Queen is dumping illegally . . . somehow. His allies may not add up to much — his sister Abbey, an unreformed childhood biter; Lice Peeking, a greedy sot with poor hygiene; Shelly, a bartender and a woman scorned; and a mysterious pirate — but Noah's got a plan to flush this crook out into the open. A plan that should sink the crooked little casino, once and for all.

A wildly entertaining adventure involving snakes, grizzlies, a menacing drone, a missing father, and the kid determined to find him. In classic Hiaasen fashion, the animals here are wild, and the people are wilder! Some facts about Billy Dickens: * He once saw a biker swerve across the road in order to run over a snake. * Later, that motorcycle somehow ended up at the bottom of a canal. * Billy isn't the type to let things go. Some facts about Billy's family: * They've lived in six different Florida towns because Billy's mom insists on getting a house near a bald eagle nest. * Billy's dad left when he was four and is a total mystery. * Billy has just found his dad's address--in Montana. This summer, Billy will fly across the country, hike a mountain, float a river, dodge a grizzly bear, shoot down a spy drone, save a neighbor's cat, save an endangered panther, and then try to save his own father. "A fun romp that will keep readers hooked." —The New York Times

In this hysterical #1 New York Times bestseller, one kid has to wrangle gators, snakes, bats that bite, and a reality show host gone rogue! This is Carl Hiaasen's Florida—where the creatures are wild and the people are wilder! When Wahoo Cray ' s dad—a professional animal wrangler—takes a job with a reality TV show called Expedition Survival!, Wahoo figures he'll have to do a bit of wrangling himself to keep his father from killing Derek Badger, the show's inept and egotistical star. But the job keeps getting more complicated: Derek Badger insists on using wild animals for his stunts, and Wahoo's acquired a shadow named Tuna—a girl who's sporting a shiner courtesy of her father and needs a place to hide out. They've only been on location in the Everglades for a day before Derek gets bitten by a bat and goes missing in a storm. Search parties head out and promptly get lost themselves. And then Tuna's dad shows up with a gun . . . It's anyone's guess who will actually survive Expedition Survival. . . " Only in Florida—and in the fiction of its native son Carl Hiaasen—does a dead iguana fall from a palm tree and kill somebody. " —New York Post " Chomp is a delightful laugh-out-loud sendup of the surreality of TV that will be enjoyed by readers of all ages. " —Los Angeles Times

An instant New York Times bestseller! "Internment sets itself apart...terrifying, thrilling and urgent."--Entertainment Weekly Rebellions are built on hope. Set in a horrifying near-future United States, seventeen-year-old Layla Amin and her parents are forced into an internment camp for Muslim American citizens.
