Incorporated Engineer - IMechE  
So a little over 4 years ago I finally got my finger out to apply to be a Chartered Engineer. Years of procrastination and false starts the application form, the process and the thought of an interview had me stalled. I had the necessary qualification, I had plenty of experience and I was a member of the IET. I just lacked the personal motivation to get my finger out.

How I became chartered - Adrian ... - Chartered Engineer
