Killer: A Journal of Murder (6-Sep-1996) Director: Tim Metcalfe. Writer: Tim Metcalfe. Based on a book: Killer: A Journal of Murder by Thomas Gaddis and James Long. Keywords: Crime, Prison, Serial Killer, Biography

The brutally graphic memoirs of one of America's most notorious and urepentant murderers who killed 21 people and committed thousands of burglaries and numerous acts of vioence and sexual abuse. Born in 1891 in Minnesota, he died on the gallows in 1930 after having spent a large portion of his life within the penitentiary system. Includes 22 b/w illustrations. 'I enjoyed the real hell out of it. Panzram is one of those people who doesn't exist in your mind until you come across him in life or as here, in a book, and then he never leaves you' -Norman Mailer

In 1929, while serving a 25-year sentence for burglary, Carl Panzram bludgeoned a fellow inmate with an iron bar and was sentenced to death. On death row at Leavenworth Prison Panzram wrote his life story, or autobiography, through a series of letters to Henry Lesser, a guard he befriended. Here he sets down a detailed description of his criminal exploits, including 21 murders, his upbringing in correctional facilities for juvenile delinquents (where he was severely beat and tortured for petty infractions) and time as an adult incarcerated in places as varied as Leavenworth to county jails.

This serial killer fan journal is the perfect gift for anyone in your life who loves cold cases or serial killers. It is filled with 100 pages of lined journal paper with 3 different prompts throughout the book to write your favorite murder podcast, favorite serial killer case, and favorite serial killer show. Jot down your daily thoughts in this murderino notebook or write down your own conspiracy theories about different cases.

James Woods and Robert Sean Leonard star in the shocking true story of two men, one sworn to uphold our system of justice, the other, the brutal by-product of that same system.

Carl Panzram wrote his autobiography in 1928.

From "one of South Korea's best and most worldly writers" (NPR): An electric collection that captivates and provokes in equal measure, exploring what it means to be on the edge--between life and death, good and evil

An Edgar Award finalist for Best Fact Crime, this “impressive...open-eyed investigative inquiry wrapped within a cultural history of rural America” (The Wall Street Journal) shows legendary statistician and baseball writer Bill James applying his analytical acumen to crack an unsolved century-old mystery surrounding one of the deadliest serial killers in American history. Between 1898 and 1912, families across the country were bludgeoned in their sleep with the blunt side of an axe. Some of these cases—like the infamous Villisca, Iowa, murders—received national attention. But most incidents went almost unnoticed outside the communities in which they occurred. Few people believed the crimes were related. And fewer still would realize that all of these families lived within walking distance to a train station. When celebrated true crime expert Bill James first learned about these horrors, he began to investigate others that might fit the same pattern. Applying the same know-how he brings to his legendary baseball analysis, he empirically determined which crimes were committed by the same person. Then after sifting through thousands of local newspapers, court transcripts, and public records, he and his daughter Rachel made an astonishing discovery: they learned the true identity of this monstrous criminal and uncovered one of the deadliest serial killers in America. “A suspenseful historical account” (Publishers Weekly, starred review), The Man from the Train paints a vivid, psychologically perceptive portrait of America at the dawn of the twentieth century, when crime was regarded as a local problem, and opportunistic private detectives exploited a dysfunctional judicial system. James shows how these cultural factors enabled such an unspeakable series of crimes to occur, and his groundbreaking approach to true crime will convince skeptics, amaze aficionados, and change the way we view criminal history. “A beautifully written and extraordinarily researched narrative...This is no pure whodunit, but rather a how-many-did-he-do” (Buffalo News).

This true crime biography reveals the disturbing story of a serial killer who terrorized central Michigan—and now has a chance to go free. As a former youth pastor who attended the Michigan State University School of Criminal Justice, Don Miller seemed like a decent young man. But in 1978, he was arrested for the attempted murder of two teenagers. Police soon connected Miller to the disappearances of four women. In exchange for a controversial plea bargain, he led police to the missing women’s bodies. Now, thanks to the deal he was offered and changes to Michigan law, Miller is allowed to seek parole once a year. In Killing Women, author Rodney Sadler examines the crimes, the “justice” meted out, and the possibility that Miller could be unleashed on the world once again.
