LAUNDRY MAN by Jake Needham is

# File Type PDF Laundry Man Jack Shepherd 1 Jake

the kind of book you hope to find, but rarely do. From the first page, it sinks its hook into a reader's soft palate, and doesn't let go. Good on so many levels, it's sort of frightening that someone can tell a story this well, but that's what happens in this non-stop plunge into a conspiratorial abyss.

everybody calls the King of Macau to stay ahead of the Chinese gangsters and shut down the black money flow while he battles a gaggle of North Korean hitmen to try and bring his defector in alive. Move too fast, and he'll lose control of everything. Move too slow... and Macau just might kill

Inspector Samuel Tay of Singapore  
CID-SIS has always been something  
of a reluctant policeman. When he  
thinks back, he can't even remember

why he became a detective in the first place. Regardless, he is very good at what he does.

From the Big Apple, to the Big Orange, to the Big Mango. It does have a kind

of nutty logic to it. Bangkok is about as far as you can go without falling off the edge of the world, although at times Eddie Dare wondered if that wasn't exactly what he had done.

As the creature soars across the land, shifting topography, changing the course of the river, and redrawing the territories of the city's avian life, crowds cheer and guns salute in a mix of science and worship. Then comes the time for the Bird's power to be trapped—within the hull of a floating
