American English A perfect reference for intermediate learners of American English, to use in the classroom and at home.

~~Macmillan Essential Dictionary — US Edition — Macmillan~~

With this in mind, Macmillan has created a series of dictionaries which respond to the differing needs of learners worldwide. What all Macmillan dictionaries have in common is a clarity of presentation and an ease of use as well as, perhaps more importantly, the reassurance that they give users a true reflection of English as it is used today: detailed analysis of large corpora, using highly advanced software, enable the dictionary writers to identify how English is used by native speakers ...

~~Macmillan English Dictionaries: About Macmillan ...~~

The most frequently used 7,500 words in English - the ideal vocabulary size for an advanced learner - are printed in red, graded with stars, and explained with extra detail about how to use them. The Macmillan English Dictionary is specially designed to help learners to understand English, use English, and be more aware of how English works.

~~Macmillan Essential Dictionary for Learners of English ...~~

Macmillan English Dictionary for Advanced Learners, also known as MEDAL, was first published in 2002 by Macmillan Education. MEDAL is an advanced learner's dictionary and shares most of the features of this type of dictionary: it provides definitions in simple language, using a controlled defining vocabulary; most words have example sentences to illustrate how they are typically used; and information is given about how words combine grammatically or in collocations.
