With refreshing candor, photos and interviews usher us into the lives of eleven undocumented young people bravely speaking out. "Maybe next time they hear someone railing about how terrible immigrants are, they'll think about me. I'm a real person." Meet nine courageous young adults who have lived in the United States with a secret for much of their lives: they are not U.S. citizens. They came from Colombia, Mexico,

Ghana, Independent Samoa, and Korea. They came seeking education, fleeing violence, and escaping poverty. All have heartbreaking and hopeful stories about leaving their homelands and starting a new life in America. And all are weary of living in the shadows. *We Are Here to Stay* is a very different book than it was intended to be when originally slated for a 2017 release, illustrated with Susan Kuklin's gorgeous full-color portraits. Since the last presidential election and the repeal of DACA, it is no longer safe for these young adults to be identified in photographs or by name. Their photographs have been replaced with empty frames, and their names are represented by first initials. We are honored to publish these enlightening, honest, and brave accounts that encourage open, thoughtful conversation about

In December of 1994, twelve-year-old Iqbal Masih was honored as a hero. Just two years earlier, he had been a slave, condemned to a lifetime of bonded labor in a Pakistani carpet factory. And five months later, he was dead, murdered in his homeland. Though he is gone, his actions inspired an international campaign of middle-school students and adults that is helping to free and to educate thousands of child laborers. Here is the powerful story of Iqbal's life and death in Pakistan, and of the movement that continues the struggle

As the Civil War rages, another battle breaks out behind the lines. During a long hot July in 1863, the worst race riots the United States has ever seen erupt in New York City. Earlier that year, desperate for more Union soldiers, President Abraham Lincoln instituted a draft—a draft that would allow the wealthy to escape serving in the army by paying a \$300 waiver, more than a year's income for the recent immigrant Irish. And on July 11, as the first drawing takes place in Lower Manhattan, the city of New York explodes in rage and fire. Stores are looted; buildings, including the Colored Foundling Home, are burned down; and black Americans are attacked, beaten, and murdered. The police cannot hold out against the rioters, and finally, battle-hardened soldiers are ordered back from the fields of Gettysburg to put down the insurrection,

which they do brutally. Fifteen-year-old Claire, the beloved daughter of a black father and Irish mother, finds herself torn between the two warring sides. Faced with the breakdown of the city—the home—she has loved, Claire must discover the strength and resilience to address the new world in which she finds herself, and to begin the hard journey of remaking herself and her identity. Addressing such issues as race, bigotry, and class head-on, Walter Dean Myers has written another stirring and exciting novel that will shake up assumptions, and lift the spirit. age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

Some of the most important lessons he's learned from years of helping inmates discover God's plan for them. In 1983, twenty-seven-year-old Earl Smith arrived at San Quentin just like everyone thought he would. Labeled as a gang member and criminal from a young age, Smith was expected to do some time, but after a brush with death during a botched drug deal, Smith's soul was saved and his life path was altered forever. From that moment on, Smith knew God had an unusual mission for him, and he became the minister to the lost souls sitting on death row. For twenty-three years, Smith played chess with Charles Manson, witnessed twelve executions, and negotiated truces between rival gangs. But most importantly, Smith helped the prisoners of San Quentin find redemption, hope, and understand that it is still possible to find God's
