This brilliant bilingual book is your one-stop shop for Spanish, packed with more than 10,000 essential words to look up and learn. With each Spanish entry illustrated by an eye-catching visual, language learning has never been easier. You'll be introduced to useful vocabulary arranged by theme across a broad range of subjects, from food and drink to sports and leisure and travel and transport. Throughout the book everyday items are included and labelled to boost your learning. If you can't find the right words, just use the comprehensive and clear indexes to set you straight in an instant. The Spanish-English Bilingual Visual Dictionary also features an amazing audio app, so you can hear all the words included spoken aloud. Use the book to find all the words and phrases you need, then perfect your pronunciation with the audio assistant. Whether you're studying for exams, off on vacation, or away on business, this is the ultimate dictionary for all aspiring Spanish speakers.

Gathers the illustrations Peterson created for the purpose of identifying birds by portraying them in similar poses and pointing out differences

A guide to coping with the medical, self-care, and emotional issues of spinal bifida, with an emphasis on becoming as independent as possible.

An illustrated guide to sex, blood and madness in Japanese exploitation cinema, including over 200 explicit and rare photographs.

Steve Tomasula's work exists at the cutting edges of scientific knowledge and literary techniques. As such, it demands consideration from multiple perspectives and from critics who can guide the reader through the formal innovations and multimedia involutions while providing critical scientific, aesthetic, historical, and technical contexts. This book, the first of its kind, provides this framework, showing readers the richness and relevance of the worlds Tomasula constructs. Steve Tomasula's work is redefining the form of the novel, reinventing the practice of reading, and wrestling with the most urgent questions raised by massive transformations of media and biotechnologies. His work not only charts these changes, it formulates the problems that we have making meaning in our radically changing technological contexts. Vast in scope, inventive in form, and intimate in voice, his novels, short stories, and essays are read and taught by a surprisingly diverse array of scholars in fields ranging from contemporary experimental writing and literary criticism to the history of science, biotechnology and bioart, book studies, and digital humanities.

A unique behind-the-scenes guide to the painting process of one of the most popular artists working in the growing, underground art scene of Pop Surrealism. Get ready for a behind-the-scenes look at the painting tools, methods, and inspirations of one of the top artists working in the growing field of Pop Surrealism. For the first time, beloved best-selling author and artist Camilla d ' Errico pulls back the curtain to give you exclusive insights on topics from the paints and brushes she uses and her ideal studio setup, to the dreams, notions, and pop culture icons that fuel the creation of her hauntingly beautiful Pop Surrealist paintings. With step-by-step examples covering major subject areas such as humans, animals, melting effects, and twisting reality (essential for Pop Surrealism!), Pop Painting gives you the sensation of sitting by Camilla ' s side as she takes her paintings from idea to finished work. This front row seat reveals how a leading artist dreams, paints, and creates a successful body of work. For fans of Camilla and the underground art scene, aspiring artists looking to express their ideals in paint, and experienced artists wanting to incorporate the Pop Surrealist style into their work, Pop Painting is a one-of-a-kind, must-have guide.

Superstar singer, bestselling cookbook author, and cooking show host Patti LaBelle shares her favorite dessert recipes and kitchen memories. Her New York Times bestseller LaBelle Cuisine: Recipes to Sing About, which sold more than 300,000 copies, established her as a cooking star. Today, Patti's baking skills have the country buzzing. In Fall 2015, a fan's YouTube review of her sweet potato pie became a viral sensation, with over 20 million views. In just one weekend, her pies were completely sold out at Wal-Mart stores across the country. Now, for the first time, fans of Patti's pie can make their own, as well as other amazing sweets! Filled with her favorite recipes for pies, cakes, cookies, and puddings, as well as a chapter on diabetic-friendly recipes, moving personal stories from her career and life, this is the most personal cookbook LaBelle has written. Every fan of soul and sweets will want to own it.

The aim of Nelson Thornes Framework English is to develop students' confidence and achievement in writing. With its unique range of rich fiction and non-fiction texts, and comprehensive coverage of the core skills, Nelson Thornes Framework English Skills in Fiction and Non-Fiction targets students doing well in years 7-10.

Good Luck is a whimsical fable that teaches a valuable lesson: good luck doesn ' t just come your way—it ' s up to you to create the conditions to bring yourself good luck. Written by Alex Rovira and Fernando Trias de Bes—two leading marketing consultants—this simple tale is universally applicable and uniquely inspirational. Good Luck tells the touching story of two old men, Max and Jim, who meet by chance in Central Park fifty years after they last saw each other as children. Max achieved great success in life, Jim sadly did not. The secret to Max ' s success lies in a story his grandfather told him long ago. This story within a story has a tone reminiscent of the classic The Alchemist and shows how to seize opportunity and achieve success in life. In a surprise ending, Good Luck comes full circle, offering the reader inspiration, instruction, and an engaging tale.
