Essay on Happiness - 10 Lines on Happiness Written in English (Essay 3 - 250 Words) What is happiness? It is a state of being happy. But it does not mean to be happy all the time. Happiness is a feeling of something good that is happening in our life. We feel happy when we achieve something. But happiness is spread when our dear one is happy as well.

Other studies indicate that an increase in one's income has a greater impact on happiness below a certain level. Research by Princeton University economist Angus Deaton indicates that in the U.S., \$75k is a meaningful benchmark when it comes to money and happiness. Below that level, more money translates to a lot more happiness.

In fact, your definition of happiness is likely a combination of satisfaction, cheeriness, merriment, and jollity. But the way you personally define happiness will likely change from day to day as well. And that's one of the most critical aspects of happiness. That's also why it's supposedly so hard to measure and quantify.
