In her memoir, *Resistance: A Woman's Journal of Struggle and Defiance in Occupied France*, Agnes Humbert spelled out her acts of resistance and eventual imprisonment during German-occupied France in the 1940's. Humbert was a 43-year-old art historian when the Nazis invaded Paris, and she and her fellow intellectuals refused to be complacent with German occupation.

Resistance: A Frenchwoman's Journal of the War - Scribd

In Nazi Germany and Vichy and Nazi-Occupied France during World War II, women were involved in numerous activities that fell upon a spectrum of resistance and collaboration. Although these two categories appear at first glance to be complete opposites, women were able to maneuver their society by going back and forth along the spectrum.
