Extinction Point Series by Paul Antony Jones

An eagerly awaited third installment of the Extinction Point series that, unfortunately fails dismally to live up to the fast paced `roller coaster` ride of its two predecessors. And what a great shame that is.

Revelations | Paul Antony Jones | 9781477817834 | NetGalley

This is the third book in the series and was originally going to be the last in a trilogy, but paul has hinted that there could be other books added to the extinction point theme. This book is an enjoyable read and i wasn't dissappointed with some of the ideas used in the book, the alien world is unknown (hence the word alien) and anything could ...

Extinction Point: Kings is the last book in the series. And it was a very good book. It ' s been 2 years since I read the 4th Extinction Point book, Genesis, and I was really surprised that I could pick up KINGS and immediately be right back in the midst of things.

Extinction Point: Kings by Paul Antony Jones

Revelations, the third and final book in Paul Antony Jones ' Extinction Point trilogy, is aptly titled, for it is a book about revelations. The real origin of the red rain, the purpose of its arrival and destruction of the planet, and what these revelations mean for humanity – that is the big question that drives the series as a whole, and ...

Extinction Point by Paul Antony Jones | Audiobook ...

Extinction Point Publisher's Summary Emily Baxter ' s dream life turns into a waking nightmare the day the red rain falls. Like a biblical plague, the scarlet downpour spreads a hideous virus that demolishes life in New York City, the nation, and the world.

First comes the red rain: a strange, scarlet downpour from a cloudless sky that spreads across cities, nations, and the entire globe. In a matter of panicked hours, every living thing on earth succumbs to swift, bloody death. With only wits, weapons, and a bicycle, Emily must undertake a grueling journey across a country that's turning increasingly alien. For though she fears she's been left to inherit the earth, the truth is far more terrifying than a lifetime of solitude.

How John Wrote the Book of Revelation is the first of its kind, and introduces genetic literary reconstruction to Biblical studies. It enables the reader to produce prior drafts of Hebrew and Christian Scriptures, thereby allowing the reader to apply the literary science of genetic criticism to a book in the Bible. How John Wrote the Book of Revelation takes the most difficult book to understand in the Christian Scriptures and reveals the sequence in which it was written, from the very first line to the final parallel. This provides the reader, for the first time, with the experience of observing how a Biblical book was written, and does this from an intimate perspective, as though they were looking over John's shoulders as he crafted it. How John Wrote the Book of Revelation is the first book that teaches the reader how to read Revelation the way it was written. After centuries of blind guess work trying to divine meaning, and weak interpretations of symbols, this book finally presents a clear, precise, and consistent method. It is a guidebook to identify all the rich symbols and their meanings within Revelation. Inside the pages of this book is the all-encompassing theory of construction for the book of Revelation. It includes three prior drafts of the book of Revelation, along with hundreds of charts and illustrations. How John Wrote the Book of Revelation is like no other book that has been written before, and sets a new paradigm for all Biblical works.

The Caretakers are dead, destroyed by the revelation of their long-ago corruption at the hands of a mysterious alien race.But Earth and its human survivors are still not free; the alien scourge that brought so much calamity to the planet are coming to claim what they believe is rightfully theirs. Standing between them and their prize is Emily Baxter and the ragtag remnants of the human race. With the help of new allies, Emily must journey from the frozen island of Svalbard back to Point Loma to confront Sylvia Valentine, the woman who tried to have her murdered. But all is not as Emily expected, and she finds a very different Point Loma than the one she escaped; the enemy has arrived and the harvest of the planet's resources has begun.Now Emily, Rhiannon, Mac, and Thor will face their greatest challenge yet, as they and the other survivors confront the creatures responsible for unleashing the Caretakers on their planet.The old world is dead and the final battle is about to begin, with Earth and the future of humanity as the prize.

With a terrifying new form of life emerging from the mutated landscape, Emily's only hope is to flee toward distant Alaska where she can unite with the survivors who have reached out to her from a remote science facility. The journey from New York will be long and painstaking, and Emily has only her faithful dog and whatever she can carry. But, after discovering a small family of refugees along the way, Emily's determination to escape the unfolding catastrophe and carve out a new future is renewed. Standing in their way are Earth's new masters, equally determined to survive and thrive, and possessed of monstrous capabilities Emily and her allies can't begin to imagine...until they're face to face with the hideous reality.In the battle about to begin, there will be no room for mistakes or mercy—only the most ruthless instincts to survive.

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

There is nowhere left to run. In the wake of the deadly plague that virtually annihilated the human race, a vast red jungle teeming with alien creatures and lethal plants is devouring Earth, swallowing buildings whole and ruthlessly decimating what life remains. A witness to the terrifying transformation, survivor Emily Baxter thinks the odds against humanity can't get any worse. She is wrong. The thrilling conclusion to the bestselling Extinction Point series, Revelations takes a humanity on the brink of devastation... and throws it over the edge!

On May 25th, 2006 an IED exploded in Bagdad instantly killing Army Captain Doug DiCenzo. His wife Nicole didn't ask " why? " after the notifying officers knocked on her door, she immediately started asking God about Heaven.The next five years of her life became a quest to discover the truth about Heaven and Christ's Millennial Kingdom. Her gracious God sent Her messages in miraculous ways – both from the battlefield and from Heaven – in order to keep her focus on His Word and His return. Slowly, Nicole began to understand the vision she had created of Heaven was far from the truth.Revelations: A Survivor's Story of Faith, Hope, and the Coming Kingdom is a true life account of a survivor's search for answers with a heavenly twist: Doug is in Heaven and he is completely aware of Nicole's experiences on Earth. While Nicole asks God if she should wait for Heaven or move on with her life, Doug is anticipating their reunion by witnessing the preparations for the return of the King.Even though this world took her husband, it cannot have her faith. Now she knows when Jesus returns, He will bat a thousand – it is called the millennial reign of Christ.

When twenty-six year old Kathleen Cooper realizes that she forfeited her dreams and aspirations of becoming a lawyer after a brash decision to run off and marry the insanely charming Aidan Cooper, she decides to regain what she lost over the course of their seven-year relationship and start fresh. With a renewed sense of hope and determination, she moves to a different city, lands a new job, and meets the handsome Benjamin Chase in a serendipitous way. But even with all of these changes and hopes of gaining a new life, Kathleen is still not happy with the person she sees in the mirror staring back at her. She is an insomniac. She generally has bad luck in just about everything she attempts. She's clumsy, and even if Prince Charming fell into her lap, she would likely push him in the opposite direction, for fear of getting hurt or worse, hurting someone else. This time she can't blame any of these things on her bad luck or her destructive marriage. This time, it's not her heart that's in danger. This time, she has much more to lose and everything to gain. Will she realize her mistakes in time to repair the damage? Will she be able to reverse her shattered self-image and discover true happiness? Will she ever find her way back to the person she was before seven years of bad luck?

A family in pain, desperate to find out what is ripping apart their once tight-knit group, turns to therapy for answers... but, as the initial four-hour session moves ahead, more and more secrets are revealed. Will these secrets rip this family apart forever? Can therapist Victoria Fields lead them back to each other and the peace and happiness they once enjoyed as a family?
