~~Scott Foresman Biology Laboratory Manual 1985~~

Scott Foresman was an elementary educational publisher for PreK
through Grade 6 in all subject areas. It was owned by Pearson
Education. In May, 2020, the Pearson K12 division was spun off as a
separate corporation, Savvas Learning Company. The old Glenview
headquarters of Scott Foresman is empty as of August, 2020, and
Crain's Chicago Business reported that the broker hired to sell the
property had missed a mortgage payment.
