Swarup's Q & A is a beguiling blend of high comedy, drama, and romance that reveals how we know what we know - not just about trivia, but about life itself. Cutting across humanity in all its squalor and glory, Vikas Swarup presents a kaleidoscopic vision of the struggle between good and evil - and what happens when one boy has no other choice in life but to survive.

~~Slumdog Millionaire - IMDb~~

Arrested for unbelievably answering all twelve questions on the Indian game show, "Who Will Win a Billion?" semi-literate waiter Ram Mohammad Thomas explains to his lawyer how he knew the answers due to events in his personal life.

A small island in the North Atlantic, colonized by Rome, then pillaged for hundreds of years by marauding neighbours, becomes the dominant world power in the 19th century. As its power spreads, its language follows. Then, across the Atlantic, a colony of that tiny island grows into the military and cultural colossus of the 20th century. These centuries of empire-building and war, international trade and industrial ingenuity will bring to the world great works of literature and extraordinary movies, cricket pitches and episodes of Dallas, the printing press and the internet. But what happens next is quite unprecedented. While the global dominance of Anglo-American power appears to be on the wane, the English language has acquired an astonishing new life of its own. With a supra-national momentum, it is now able to zoom across time and space at previously unimaginable speeds. In Robert McCrum's analysis, the cultural revolution of our times is the emergence of English, a global phenomenon as never before, to become the world's language. In the 21st century English + Microsoft = Globish. Globish takes us on a riveting and enlightening journey of the spread of a global English, from the icy swamps of pre-Roman Saxony to the shopping malls of Seoul, from the study of 'Crazy English' TM in China to crowds of juvenile wizards mobbing bookshop tills across the world. Along the way it gives new meaning to a faded old brown parchment (the Magna Carta), a 272 word presidential speech (the Gettysburg address) and a scratchy black and white film of a couple of men in space suits.

As heard on BBC Woman's Hour From the author of the book behind the blockbuster movie Slumdog Millionaire, a brilliant novel about life changing in an instant. In life you never get what you deserve: you get what you negotiate... What would you do if, out of the blue, a billionaire industrialist decided to make you the CEO of his company? No prior business experience necessary. There is only one catch: you need to pass seven tests from the 'textbook of life'. This is the offer made to Sapna Sinha, an ordinary salesgirl in an electronics boutique in downtown Delhi, by Vinay Mohan Acharya, one of India's richest men. Thus begins the most challenging journey of Sapna's life, one that will test her character, her courage and her capabilities. Along the way she encounters a host of memorable personalities, from a vain Bollywood superstar to a kleptomaniac Gandhian. At stake is a business empire worth ten billion dollars, and the future she has always dreamt of. But are the seven tests for real or is Acharya playing a deeper game, one driven by a perverse fantasy? From the acclaimed author of Slumdog Millionaire, one of the biggest films of the decade, comes this compelling, suspenseful tale of the power of dreams, the lure of money and the universal need to know who we are. Praise forThe Accidental Apprentice: 'It's easy to forget that before it was retitled for Hollywood, Slumdog Millionairewas a novel called Q&A,which makes its author, Vikas Swarup, probably the most successful Indian author you've never heard of... Gripping stuff... Perhaps The Accidental Apprenticeis awaiting its Danny Boyle'The Times Praise for Q&A/Slumdog Millionaire 'A colourful portrait of Indian society is painted with remarkable lightness and wit' Sunday Telegraph 'Absorbing and richly entertaining reading' The Times

The basis for The Great Indian Murder, now a streaming series! There's a caste system--even in murder From the author of the international bestseller Slumdog Millionaire comes a richly-textured tale of murder, corruption, and opportunity. Seven years ago, Vivek "Vicky" Rai, the playboy son of the Home Minister of Uttar Pradesh, murdered bartender Ruby Gill at a trendy restaurant in New Delhi, simply because she refused to serve him a drink. Now Vicky Rai has been killed at the party he was throwing to celebrate his acquittal. The police recover six guests with guns in their possession: a corrupt bureaucrat who claims to have become Mahatma Gandhi overnight; an American tourist infatuated with an Indian actress; a stone-age tribesman on a quest to recover a sacred stone; a Bollywood sex-symbol with a guilty secret; a mobile-phone thief who dreams big; and an ambitious politician prepared to stoop low. Swarup unravels the lives and motives of the six suspects, offering both a riveting page-turner and an insightful peek into the heart of contemporary India. Audaciously and astutely plotted, with a panoramic imaginative sweep, Six Suspects is the work of a master storyteller.

This book constitutes the refereed proceedings of the 8th International Conference of the CLEF Initiative, CLEF 2017, held in Dublin, Ireland, in September 2017. See the very best of literature in a whole new light with BrightSummaries.com!

The latest addition to The Open and Flexible Learning Series addresses the challenges created by the successes and the failures of the universal primary education campaign. It advocates new approaches for providing access to secondary education for today's rapidly growing youth population.

"The ultimate literary bucket list." –The Washington Post "If there's a heaven just for readers, this is it." –O, The Oprah Magazine Celebrate the pleasure of reading and the thrill of discovering new titles in an extraordinary book that's as compulsively readable, entertaining, surprising, and enlightening as the 1,000-plus titles it recommends. Covering fiction, poetry, science and science fiction, memoir, travel writing, biography, children's books, history, and more, 1,000 Books to Read Before You Die ranges across cultures and through time to offer an eclectic collection of works that each deserve to come with the recommendation, You have to read this. But it's not a proscriptive list of the "great works"—rather, it's a celebration of the glorious mosaic that is our literary heritage. Flip it open to any page and be transfixed by a fresh take on a very favorite book. Or come across a title you always meant to read and never got around to. Or, like browsing in the best kind of bookshop, stumble on a completely unknown author and work, and feel that tingle of discovery. There are classics, of course, and unexpected treasures, too. Lists to help pick and choose, like Offbeat Escapes, or A Long Climb, but What a View. And its alphabetical arrangement by author assures that surprises await on almost every turn of the page, with Cormac McCarthy and The Road next to Robert McCloskey and Make Way for Ducklings, Alice Walker next to Izaak Walton. There are nuts and bolts, too—best editions to read, other books by the author, "if you like this, you'll like that" recommendations, and an interesting endnote of adaptations where appropriate. Add it all up, and in fact there are more than six thousand titles by nearly four thousand authors mentioned—a life-changing list for a lifetime of reading. "948 pages later, you still want more!" –THE WASHINGTON POST

This updated and revised edition outlines strategies and models for how to use technology and knowledge to improve performance, create jobs and increase income. It shows what skills will be required to produce, sell and manage performance over time, and how manual jobs can contribute to reduce the consumption of non-renewable resources.
