Charming lessons in life, death and kindness . . . Hugely moving' Observer This is the story of Mary, a young girl born in a beautiful city full of rose gardens and fluttering kites. When she is still very small, Mary meets Lanmo, a shining golden snake, who becomes her very best friend. The snake visits Mary many times, he sees her grow and her city change, as bombs drop and war creeps in. Lanmo wonders, can having a friend possibly be worth the pain of knowing you will lose them?

A. L. Kennedy's remarkable new collection of

stories shows us exactly what becomes of the broken-hearted. She reveals the sadness, violence, hurt, and terror, but also the redemption of love, and she does so with enormous human compassion, wild leaps of humour, and the brilliantly original linguistic skill that distinguishes her as one of the world's finest writers. Always attuned to the moment of epiphany, these twelve stories are profound, intimate observations of men and women whose lives ache with possibility. Each story is a dramatization of the instant in a life that exposes it all; love and the lack of love,

hope and the lack of hope. These men and women are perfectly ordinary people whose marriages flounder; who sit on their own in a cinema watching a film with no soundtrack; who risk sex in a hotel with an anonymous stranger. They conceal tenderness and disappointment, vulnerability and longing, griefs and wonders. Devastating and funny, intimate and profound, the stories in *What Becomes* are further proof that Kennedy is one of the most dazzling and inventive writers of her generation.

Bliss and On Bullfighting offers this haunting tale of two forlorn people who find in each other a hope and love as genuine and original as this marvelous book in which they come to life. M. Jennifer Wilson is a mid-thirties radio announcer living in Glasgow. She shares a house with Art and Liz, two typical Scotland thirtysomethings, but her life takes a drastic turn with the arrival of her new housemate, an elusive man who glows in the dark and can't remember his name. He soon reveals himself to be none other than Savinien Cyrano de Bergerac, the famed writer and duelist of eighteenth-century France, and

what unfolds is a love story stark and surreal, tender and humane.

Alfie Day, RAF airman and former World War II POW, never expected to survive the war. Now, five years later and more alone than ever, Alfie finds himself drawn to unearth those strange, passionate days by working as an extra on a POW film. What he will discover on the set about himself, his loves and the world around him will make the war itself look simple. Funny and moving, wise and sad, Day is a truly original look at the intensity and courage to be found in the closeness of

A New York Times Notable Book of the Year
Winner of the Somerset Maugham Award
The Country Life, Rachel Cusk's third novel, is a rich and subtle story about embarrassment, awkwardness, and being alone; about families, or the lack of them; and about love in some peculiar guises. "A brilliant oxymoron—a serious farce . . . Cusk's ability to keep us

interested in innumerable human collisions is uncanny.” –The New Yorker Stella Benson sets off for Hilltop, a tiny Sussex village housing a family that is somewhat larger-than-life. Her hopes for the Maddens may be high, but her station among them—as au pair to their irascible son, Martin—is undeniably low. What could possibly have driven her to leave her home, job, and life in London for such rural ignominy? Why has she severed all contact with her parents? And why is she so reluctant to talk about her past?

Exposing and exploring the sinuous

undercurrents of violence, anguish and love, A.L. Kennedy examines the nature of the individual, both in isolation and society, as characters define and deny their chosen identities. While showing us the unlikeliness of intimacy and the impossibility of communication, Kennedy also reveals the subversive liberation of impotence, the humour of discomfort as human beings chafe together, the crazed claustrophobia of the family and the wildly funny results of an eccentricity unleashed.

living. Her family is so frustrated by her behavior they can barely stand to keep in touch with her. Each day is fueled by the promise of annihilation, the promise of a reprieve, the paradise that can only be found in a bottle. When Hannah meets Robert, a kindred spirit, the two become constant companions. Together and alone Hannah and Robert spiral through the beauty and depravity of a love affair with alcohol. Paradise is a spectacular novel of desire and oblivion.
