Gerard Arthur Conan Doyle break from an English prison, rescuing ladies in distress, duelling to the death against the dastardly Baron Straubenthal and even saving the day at the Battle of Waterloo.

Having killed off Sherlock Holmes, Sir Arthur Conan Doyle began a new series of tales on a very different theme. Brigadier Gerard is an officer in Napoleon's army—recklessly brave, engagingly openhearted, and unshakable, if not a little absurd, in his devotion to the enigmatic Emperor. The Brigadier's wonderful comic adventures, long established in the affections of Conan Doyle's admirers as second only to those of the incomparable Holmes, are sure to find new devotees among the ardent fans of such writers as Patrick O'Brian and George MacDonald Fraser.

The Exploits & Adventures of Miss Alethea Darcy takes readers back into the imagined family of Elizabeth Bennet and Mr. Darcy. Their musical daughter Alethea makes a disastrous marriage to a man whose charming manners conceal an unpleasant nature. Flung caution to the winds, she flees her marital home, masquerading as a gentleman, and accompanied only by her redoubtable maid, Figgins, she sets off for Venice to take refuge with her sister Camilla. But events -- always dramatic and sometimes dangerous -- conspire to thwart her plans. Before she can meet up with Camilla, chance and her love of music lead her into the world of Italian opera, while her encounter with the aloof and difficult Titus Manningtree, in Italy to pursue a lost Titian painting, is to change her life --

although fate has several more tricks to play before she can find happiness. With wit, aplomb, and delectable style, Elizabeth Aston once again re-creates the world of Jane Austen, populating her novel with captivating characters firmly rooted in Austen's traditions but distinctly her own, resulting in another delightful comedy of manners, morals, and marriage.

Enjoy reading about the exploits of Jedediah Smith and his comrades.

David "Davy" Crockett (1786–1836) was born in Tennessee, fought alongside Andrew Jackson in the War of 1812, and later served three terms in the House of Representatives before heading to Texas, where he died defending the Alamo. Col. Crockett's Exploits and Adventures in

## Get Free The Exploits And Adventures Of Brigadier

Texas, first published after Crockett's death and disingenuously attributed to him, was written by Richard Penn Smith as a narrative that promoted a sanitized account of the Alamo as a heroic effort by Americans to stem the Mexican "invasion" of Texas. The story, which was a huge success in its day, created a myth of the battle that pervaded the collective American memory for more than 150 years and reinforced the image of Davy Crockett as the "King of the Frontier."

The Splendid Wayfaring is excellent as supplementary reading in history classes and a wonderful book for the young reader who wants adventure. This is the story of the opening of the Central route from the Missouri to the Pacific, 1822-1831, and centers on the explorer Jedediah Smith. The author has drawn his material from Dale's The Ashley-Smith explorations and

# Get Free The Exploits And Adventures Of Brigadier from original documents. Conan Doyle

Alethea, the youngest, most talented and high-spirited daughter of the Darcys, has married too hastily on the rebound. She soon discovers that her husband is not only a brute but that he has bizarre ideas about a wife's duty in the bedroom. She will have to flee, yet she knows he will pursue her. She must take drastic measures to foil his plans and protect herself. So Alethea sets out to cross the Channel, masquerading as one Aloysius Hawkins, gentleman. Accompanied only by her redoubtable maid, Figgins, her plan is to join her elder sister in Italy. But events - always dramatic and at times life threatening - conspire to keep the sisters apart. Until the mysterious Titus Manningtree, in Italy to pursue a lost Titian painting, takes a hand in her complicated affairs...
