The Food Addiction Recovery Workbook: How to Manage ...

mit ourselves to a food plan each day, so that we know what, when, and how much we will eat. If we have difficult medical issues, we explain to our doctors that we are in recovery from addiction and discuss the structure of our food plan with them. 2. Weighing and Measuring. When we weigh and measure our food, we place boundaries around it.

FAA's Twelve Steps. We suggest working through the 12 Steps using The FAA Steps to Recovery (a booklet which can be ordered using our Literature Order Form on our Literature page). Our members have found that working the 12 Steps is necessary in order to maintain long term abstinence. As we continue to work through the Steps, we come to know a Power greater than ourselves that can and will assist us in developing a manner of living that will expel the obsession with food.
