Working safely during coronavirus (COVID-19) - GOV.UK

Go to bed at least 8 hours before you have to wake up. Create a routine where you get at least 8 hours of sleep every night. Set your alarm for the same time every morning to help you get in this routine. This means that if you have to get up at 7:00 in the morning, you need to go to bed by 11:00 at the latest.

How to Have a Great Morning Routine Before School: 15 Steps

Step 1: Get a notebook and pen, and put them on your bedside table. Step 2: Every night before you go to sleep, write down two or three things that you're thankful for. (Don't worry about how "big" or "small" these things are.) Here are some examples of what you might write: Good health; Loving family; Beautiful sunset

How to Raise a Happy, Successful Child: 25 Tips Backed by ...

Change is progress, progress, is success, and success will make you happy. There's always a reason to live, to change, to improve, to better your life and be successful. Find that reason and make it your passion. Be good, follow the right ways, and use the right means to start a new beginning in your life. New Year.

New Year New Beginning: How to Start a New Life in 12 Steps

Ceasing to seek power over people and outcomes in your life is the first major step to living peacefully. Trying to control people is about seeking to impose your will and reality on others. But by doing so--even with the best of intentions--this forcing your will on others takes away the power from others and causes a great imbalance which can lead to anger, hurt, and resentment.

How to Live in Peace: 12 Steps (with Pictures) - wikiHow

Use strong role models. Integrate role models from the community into your classroom. The more role models from different walks of life your students see, the more they will feel that a good attitude can apply to any situation. Bring in a policewoman or fireman from the community and have them discuss how they approach the difficult aspects of their jobs with a positive attitude.

3 Ways to Create a Positive Classroom Atmosphere - wikiHow

Think: This Flurb needs to take two steps to get to the fruit. Work with your elbow partner to decide what you think those two steps are. Pair: Have students discuss with neighbors for about 90 seconds. Share: Ask a few students to describe their algorithm to the class. Move your finger along the displayed map as the students read their steps.
