The Ranger's Apprentice series is one of the best series out there for young adults and adults alike.

John Flanagan is one of my favorite authors. These books are full of adventure, chivalry, honor, hard work, humor, with some fantasy thrown in. I have purchased these books for my grandsons and this time for the son of a friend.

John Flanagan does a decent job answering the question in the first three books of the Ranger's Apprentice series, compiled in "The Ranger's Apprentice Collection." It's a solid trio of fantasy books with plenty of weapons, monsters, a medieval backdrop with some very familiar cultures, and a teenage hero who risks it all for his land.
