The Scourge (Brilliant Darkness, #1) by A.G. Henley

All are afraid of the "Scourge", the classic flesh eating zombies who infect anyone they bite. Our heroine is a water bearer. She is blind and this offers her protection from the hordes who swarm around her. She must collect water for her community as they hide in the caves, safe from the Scourge who do not like the darkness and enclosed space.

The Scourge Brilliant Darkness 1 Ag Henley

Seventeen-year-old Groundling, Fennel, is Sightless. She's never been able to see her lush forest home, but she knows its secrets. She knows how the shadows shift when she passes under a canopy of trees. She knows how to hide in the cool, damp caves when the Scourge comes.

The Scourge (Brilliant Darkness, book 1) by A G Henley

The Scourge is an apocalyptic dystopian story about flesh-eaters and the surviving human beings who dwell in the forest after the outbreak. The few remaining humans either live in the trees or in the caves.

Shackled by greed Herded like cattle, subhuman filth Regarded as a means to feed corruption Branded by the Mark of Cain A sign from God to reveal the fallen A creation inferior Lashed and flayed Whipped and slain Hearts of stone swallow living flesh The Word to justify Abominable acts Their purported light makes clear The depths of darkness Centuries of abhorrence Mitigated but slightly The physical scourge Gives way to mental torment The icon of bondage resurfaces With a different face All ...

"A fantastic end to a wonderful series!! I am sad to see all the characters go." ★★★★★ Fennel and Peree are finally together and safe from the Scourge in the protected village of Koolkuna. Except, on the day of their partnering ceremony the children of the village are stolen away—Fenn's loyal companion, Kora, among them. Fenn and Peree join a small search party led by rival Kaiya, the one person who stands a chance of finding the children thanks to her mysterious past. As they travel away from the safe waters of Koolkuna and into the Scourge-infested wilds, Fenn endures Kai's scorn, her subtle designs on Peree, and the squabbling of the group, but nothing in her life so far has prepared her for the fierce warrior women who will steal others' children to preserve their own existence—the Fire Sisters. If Fenn is to survive the threat of the Scourge, rescue the children from the Sisters, and have a hope of making a life with Peree in Koolkuna, she must face her fear of failure and loss and become the leader she's destined to be. "Two thumbs up and one question. Why are you still reading this instead of ordering these books?" ★★★★★ The Fire Sisters is the final book of the Brilliant Darkness fantasy romance series. Fans of Divergent and Under the Never Sky will love this series about a blind girl who alone can protect her forest people from terrifying flesh-eating creatures.

Many tales are told of the Syldoon Empire and its fearsome soldiers, who are known throughout the world for their treachery and atrocities. Some say that the Syldoon eat virgins and babies—or perhaps their own mothers. Arkamondos, a bookish young scribe, suspects that the Syldoon's dire reputation may have grown in the retelling, but he's about to find out for himself. Hired to chronicle the exploits of a band of rugged Syldoon warriors, Arki finds himself both frightened and fascinated by the men's enigmatic leader, Captain Braylar Killcoin. A secretive, mercurial figure haunted by the memories of those he's killed with his deadly flail, Braylar has already disposed of at least one impertinent scribe . . . and Arki might be next. Archiving the mundane doings of millers and merchants was tedious, but at least it was safe. As Arki heads off on a mysterious mission into parts unknown, in the company of the coarse, bloody-minded Syldoon, he is promised a chance to finally record an historic adventure well worth the telling, but first he must survive the experience! A gripping military fantasy in the tradition of Glen Cook, Scourge of the Betrayer explores the brutal politics of Empire—and the searing impact of violence and dark magic on a man's soul.

Follows the adventures of Talia as she trains to become a Herald of Valdemar in the first book in the classic epic fantasy Arrows trilogy Chosen by the Companion Rolan, a mystical horse-like being with powers beyond imagining, Talia, once a runaway, has now become a trainee Herald, destined to become one of the Queen's own elite guard. For Talia has certain awakening talents of the mind that only a Companion like Rolan can truly sense. But as Talia struggles to master her unique abilities, time is running out. For conspiracy is brewing in Valdemar, a deadly treason that could destroy Queen and kingdom. Opposed by unknown enemies capable of both diabolical magic and treacherous assassination, the Queen must turn to Talia and the Heralds for aid in protecting the realm and insuring the future of the Queen's heir, a child already in danger of becoming bespelled by the Queen's own foes.

I have never seen plague bring a man back from the dead. Nor do I know of any sickness, in England or upon the continent, that gives its victims a taste for living flesh. So declares Sir Edward Dallingridge, a noble knight whose years defending England on the battlefield haven't prepared him to face an enemy as chilling – and relentless – as the living dead. But even as his countrymen flee in horror, Sir Edward rides straight into the unholy infestation. For his lady love lies trapped behind a hundred miles of fiendish terror, and nothing will keep him from her. With little more than the armor on his back, the blade in his hand, and the loyalty of the two fellow warriors at his side, he is willing to spill an ocean of tainted blood to reclaim the country he serves and the bride he worships.

"A magical dash through the streets of Paris. Part caper, part fairy tale, part opulent witch society, you'll be swept away by all of it. GRIM LOVELIES absolutely dazzles." –Kendare Blake, #1 NYT bestselling author of the Three Dark Crowns series "A darkly enchanting saga...bound to attract fans of Leigh Bardugo, Holly Black, and more." –Entertainment Weekly "I lost myself in this magical book." –Stephanie Garber, New York Times bestselling author of

Caraval and Legendary Seventeen-year-old Anouk envies the human world, where people known as Pretties lavish themselves in fast cars, high fashion, and have the freedom to fall in love. But Anouk can never have those things, because she is not really human. Enchanted from animal to human girl and forbidden to venture beyond her familiar Parisian prison, Anouk is a Beastie: destined for a life surrounded by dust bunnies and cinders serving Mada Vittora, the evil witch who spelled her into existence. That is, until one day she finds her mistress murdered in a pool of blood—and Anouk is accused of the crime. Now, the world she always dreamed of is rife with danger. Pursued through Paris by the underground magical society known as the Haute, Anouk and her fellow Beasties only have three days to find the real killer before the spell keeping them human fades away. If they fail, they will lose the only lives they've ever known...but if they succeed, they could be more powerful than anyone ever bargained for. From New York Times bestselling author Megan Shepherd, Grim Lovelies is the glittering first book in a new, epic YA fantasy series. Prepare to be spellbound by the world of Grim Lovelies, where secrets have been long buried, friends can become enemies, and everything—especially humanity—comes at a price. This ebook includes a bonus prequel novella!

Originally published: New York: Random House, 1994.

Fred Rogers (1928–2003) was an enormously influential figure in the history of television and in the lives of tens of millions of children. As the creator and star of Mister Rogers' Neighborhood, he was a champion of compassion, equality, and kindness. Rogers was fiercely devoted to children and to taking their fears, concerns, and questions about the world seriously. The Good Neighbor, the first full-length biography of Fred Rogers, tells the story of this utterly unique and enduring American icon. Drawing on original interviews, oral histories, and archival documents, Maxwell King traces Rogers's personal, professional, and artistic life through decades of work, including a surprising decision to walk away from the show to make television for adults, only to return to the neighborhood with increasingly sophisticated episodes, written in collaboration with experts on childhood development. An engaging story, rich in detail, The Good Neighbor is the definitive portrait of a beloved figure, cherished by multiple generations.

"I can count on one hand the number of authors who provide a compelling storyline as well underlying themes that cause me to reevaluate myself and the society we live in. For example, Suzanne Collins with The Hunger Games Trilogy, Veronica Roth with the Divergent Trilogy, and now A.G. Henley with The Brilliant Darkness Series." ★★★★★ It hasn't been long since Fennel, a Sightless Groundling, and Peree, her Lofty Keeper, fell in love and learned the truth: the Scourge, and their world, is not what it seems. Fenn and Peree are determined to guide their people to the protected village of Koolkuna. First, they must convince them that everything they believe is a lie. Not everyone wants to uproot their lives in the forest, and those who stay behind will be left terribly vulnerable. Fenn and Peree's resolve to be together despite their people's disapproval, and the constant threat of the Scourge's return, pushes both groups to the breaking point. Unable to tell friend from foe, Fenn must again decide how much she's willing to sacrifice to ensure the people of the forest's future. Only this time, the price of peace may be too high to bear. "Captivating." ★★★★★ The Defiance is book two of the Brilliant Darkness fantasy romance series. Fans of Divergent and Under the Never Sky will love this series about a blind girl who alone can protect her forest people from terrifying flesh-eating creatures.

When a ticking time bomb in human genes detonated, the Scourge of God began sweeping the planet, claiming its victims in a few short weeks. Soon an illusion of humanity haunted the streets, and its once-glamorous cities plunged into quiet darkness. The few who were spared by the Scourge were left to make sense of the new world. One of them, Vincent, was a passionate and good-natured man in his twenties. Having moved to New York City seven months before, after battling a life-sapping depression, he now faced the human apocalypse. New York City was a large wasteland of concrete, steel, rust, and broken glass. Birds ruled the sky, while rodents feasted on the ground-level remains. It was a dangerous and deteriorating place, but it became the staging ground for a new civilization. There Vincent found normalcy, friendships, love, and hope. Life seemed better than before the Scourge, but soon the injustices of the new world began raging a new battle within him. He decided to take justice into his own hands and become a new kind of Scourge. Loved by some. Loathed by others. Ultimately feared by all.

An epic Sci-Fi Adventure, perfect for fans of Firefly and Ender's Game! The year is 2119. Earth is a crowded, ugly shell of its former self, surrounded by numerous alien races and protected by the oppressive Earth Alliance. When Alyx Starburn is arrested for stealing food, he's given a choice: join a new branch of the Earth Alliance, created to rehab convicts like him into the service, or rot in a quarry on a backwater planet a thousand light-years away. It isn't a hard decision, and he quickly finds himself in basic training with three other outcasts, each with secrets that put his life in danger. Alyx discovers they've been chosen as the unsuspecting test subjects of an advanced neural Chip; a Chip capable of turning them into elite soldiers. If they survive the implantation process. Those who do will spearhead the EA's conquest for galactic domination. Alyx and his team have barely come out of the procedure before they're blamed for murders they didn't commit and find themselves on the run, searching for somewhere-anywhere-safe. Pursued by armies, bounty hunters, and a relentless squad of mysterious soldiers, the group must figure out who they can trust and who they can't, as they come to realize their own kind may be the most dangerous enemy of all. Run to survive. Survive to fight. Fight to live.
