For most kids, accidentally starting an interspecies war on Halloween would be the biggest event of their lives. For Elliot Penster, it was only the beginning. Now, three years later, the Brownies, who are hopelessly losing the war against the Goblins, make 11-year-old Elliot their king.

Hearts and loyalties collide in this electrifying new YA series from New York Times bestselling author Jennifer A. Nielsen.

A 2014 NATIONAL BOOK AWARD FINALIST When he was a boy, Luc's mother would warn him about the "mock men" living in the trees by their home -- chimpanzees whose cries would fill the night. Luc is older now, his mother gone. He lives in a house of mistreated orphans, barely getting by. Then a man calling himself Prof comes to town with a mysterious mission. When Luc tries to rob him, the man isn't mad. Instead, he offers Luc a job. Together, Luc and Prof head into the rough, dangerous jungle in order to study the elusive chimpanzees. There, Luc finally finds a new family -- and must act when that family comes under attack. As he did in his acclaimed novel ENDANGERED, a finalist for the National Book Award, Eliot Schrefer takes us somewhere fiction rarely goes, introducing us to characters we rarely get to meet. The unforgettable result is the story of a boy fleeing his present, a man fleeing his past, and a trio of chimpanzees who are struggling not to flee at all.
