All graduate music students are expected to demonstrate a competency with the basics of tonal harmony (including functional chromaticism). We assess this through four-voice partwriting to a given figured bass, harmonization of a simple diatonic melody, and harmonic function analysis using standard Roman numerals to indicate chord function.

~~Basic Tonal Harmony | School of Music~~

Tonality is a system of harmony created & used in the Common-Practice Period (that is, in the Baroque, Classical and Romantic Eras of classical music), so from about 1700 to 1900. Tonal harmony is the 'standard' music theory that you learn through your Classical music studies.
