Read this Tracfone LG 410g cell
phone review to find out one flaw
that may make this a loser for you.

This phone has some great
features, is fun to use, and, in
some ways, raises the bar for
basic prepaid cell phones. It also
taught me something about using
Tracfone and Net10 phones that I
didn ' t know before, but it also
freezes up in one particular
situation.
