What's So Great about Christianity provides believers with a straightforward tool kit for meeting the challenge of modern atheism and secularism; for nonbelievers, it offers a compelling apologetic that will challenge their assumptions and affirm that there really is something great about Christianity.

What's So Great about Christianity: Dinesh D'Souza ...

rife with misconceptions and assumptions, this book is not much information about anything. more of a book about the author's opinion than facts, it is sheer propaganda. what makes me sad about this book is that i can see the angle that this brand of christian is coming from, and it sees wrong conclusions using faulty logic. for example, dinesh d'souza claims that he understands darwinian ...
