It features over an hour's worth of supplemental videos in which Mixerman demonstrates various recording techniques in a number of recording spaces. The clips provide invaluable insight into what to listen for when choosing gear and placing mics, and Mixerman walks us through all of this in well over an hour of clips. This multimedia eBook is an absolute must-have for anyone who enjoys recording music and wants to get better doing it. "Mixerman has done it again! Ron Saint Germain (300+ million in sales, U2, Whitney Houston, 311) "Zen and the Art of Recording describes an approach rather than a recipe. This is important because in the real world nothing works the same way every time. This is an excellent overview of the issues to be considered along with a broad variety of proven techniques for addressing them." Bob Olhsson (Stevie Wonder, Jackson Five, Marvin Gaye) "It's the videos here that really drive the narrative."
